

SEND US YOUR FIRST PITCH VIDEO FOR A CHANCE TO BE FEATURED IN A NATIONAL *MLB*® AND CHEVROLET VIDEO!

As we wait for baseball to return, *MLB* and Chevrolet want to find a way for fans to feel more connected to their favorite teams and players. Even though we can't be in the stands right now, there's still a way we can be a part of the games.

You are invited to participate in the first-ever **Chevrolet Virtual First Pitch**.

The Assignment

We want to see your best pitch! Record a video of yourself throwing out a ceremonial first pitch and upload it to the submission site. The rules are simple. Be creative, have fun and do it safely.

Important Tips for Creating an Awesome Video

1. Tell us your first name, city and state, and what you love about baseball
2. Be sure we can clearly see you throwing the ball (e.g., have someone film you from the front, side, or behind you). Here are some sample videos to provide inspiration:

 - b. [Sample Video 2](#)
 - c. [Sample Video 3](#)
3. Feel free to wear your youth team uniform
4. Shoot horizontally
5. Avoid shooting into the sun
6. Make sure to not record on a windy day as we want to be able to hear you!
7. Video should be no longer than 15 seconds
8. Click the link in your email to upload your video

The Fine Print

- The use of profanity or derogatory language may not be used
- Unlicensed music and imagery (including artwork and murals) may not be used
- Refrain from wearing large corporate logos or promoting other brands as this may prevent Chevrolet and *MLB* from using your video
