

2019 – Winter 5v5 Indoor Soccer League – CANCELED

Coaches,

Unfortunately, the Winter 5v5 League in Piscataway has been canceled. We had a minor problem with limited access to facilities this year, but the primary reason was that we were unable to provide you with effective competition. We take pride in trying our best to provide competitive games to every team and we are unable to offer it this year.

We will evaluate how to correct these issues and will be back next year. Look for our announcement in the fall of 2019.

I sincerely apologize for the inconvenience.
Chuck
