Summer Camp

A non-contact football mini-camp focusing on proper techniques, mechanics and fun. TJ Youth Football will be holding its 2nd Annual TJ Football Camp partnering with Coach Cherpak (head coach of TJ High School Football Team) and his staff and players. This is open to kids ages 6-14 and they will have a great time running drills, learning new techniques and just having a fun time.

Parents, please understand that even if your child is not sure about playing football or has absolutely no desire to play, that is totally fine. We really want to get the kids together in this community and let them have a great night with the 2-Time Defending WPIAL Football Champions!!!

Please come out and support your local TJ Youth Sports Football Organization. Can't wait to see everyone there!!!!

Players will need to wear a t-shirt, shorts and cleats and bring plenty of water (no tackle equipment needed).

When & Where:

Thursday, June 1st – Camp will begin at 6:30pm – 8:30pm at the [Thomas Jefferson High School Stadium](#) on the main football field.
