Wait for thaw to work the fields, hopefully they will be workable in March as scheduled. They know about water on Field 5, and will fix after the thaw. Need to get electricity to shed after the thaw. Zach will not return. John will be working with Chad for now, and will look for people to step up from the ranks to work.

Registration Committee: PJ Welsh

Discussed starting the process of looking into a new system to maintain our electronic records. Paul talked about some pro's and con's. Dana can talk more about this at the March Meeting. Then will probably need a special meeting before April to review a new system. Need to act early on this and create a doable time line. Paul was also interested in making our system better than this year. So there are options. Also discussed getting Rita's laptop fixed, so she is to contact PJ and or bring lap top on Saturday.

Special Events Committee: Tracy Young-Stacy/Doug Owen

Talk about open day, doing parade. Need to talk to the Village about this. Probably keep it simple, but may also have Pitch, Hit and Run event. Kevin has information and need to see if that fits the timeline for opening day.
