

**ANNVILLE-CLEONA
YOUTH SOCCER CLUB**

June 1, 2018

We believe that active involvement in team sports helps kids as they mature. We strive to help our kids build confidence and strength on the field because they are our next generation of community leaders. The Annville-Cleona Youth Soccer Club (ACYSC) is a volunteer organization funded by the A-C families and local businesses in our communities.

The ACYSC is looking for local sponsors to help support our club through monetary donations. These monies will be used to offset registration for players and other costs including equipment, field maintenance, insurance, referee fees, league fees, and uniforms.

You have the opportunity to show your support while displaying your business name/logo to hundreds of potential customers in our local communities. Your business will be proudly displayed by each player every time they step on the soccer field for the Annville Cleona Youth Soccer Club. There are several sponsorship opportunities to fit your desired level of commitment.

Please take a look at the next few pages to see sponsorship levels and what is included in each level. We appreciate this opportunity not only to continue providing funding for the club but also to collaborate with our local businesses.

Sincerely yours,

Doug Eby - ACYSC President

Chris Bower - ACYSC Vice President
