

Novi Cats Basketball Club

Players Code of Conduct

General

These are the primary conduct guidelines of the Novi Cats Basketball Club. These guidelines are not intended to cover every situation that may arise over the course of a season, and under certain situations, exceptions can be made according to the best judgment of the head coach. Please keep in mind, however, that the head coach is responsible to the entire team, player families and the Novi Cats Basketball Club. All decisions will be made with those obligations in mind.

The Novi Cats expect that all participants will maintain a high standard of conduct at all times, and will enforce this standard firmly and fairly. If and when violations occur, the violator will receive disciplinary action from the Novi Cats according to its rules and policies.

Standard of Conduct

1. Demonstrate good sportsmanship at all times, whether you win or lose. Show a positive attitude toward your teammates, your coaches, game officials and people watching the game.
2. Follow the rules and expectations set by your team, league and coach.
3. Attend all team practices, games, team events and support your team at all times.
4. Be responsible for your uniform, equipment, the team equipment and for cleaning up after yourselves.

Coaches Code of Conduct

General

These are the primary conduct guidelines of the Novi Cats Basketball Club. These guidelines are not intended to cover every situation that may arise over the course of a season, and under certain situations, exceptions can be made according to the best judgment of the head coach. Please keep in mind, however, that the head coach is responsible to the entire team, player families and the Novi Cats Basketball Club. All decisions will be made with those obligations in mind.

Standard of Conduct

1. Ensure that the safety of players and fans is always the highest priority. Create a safe environment at all practices, camp, clinics and game events. Complete training on CPR, concussions and other safety matters as offered and made available.
2. Set rules and expectations that are appropriate for the players' age level.
3. Abide by and teach the rules and fundamentals of the game.
4. Encourage and enforce good sportsmanship of all players and parents. Develop an environment in which your whole team will respect everyone and fear no one.
5. Ensure that players are in a training environment that is challenging and maximizes their development. Encourage players to take advantage of all club training opportunities and promote self training.
6. Set a high standard when training and playing, giving praise when deserved, and correction when needed. Earn respect from players and parents by being honest and fair to all.
7. Equipment and playing facilities at all venues should meet safety standards. Notify the Board in all instances where equipment and facilities are not safe.
8. Understand the rules of all Leagues and events in which you participate.
9. Be considerate of and acknowledge parents' efforts to support their child participation. Communicate changes in practice and event schedules in advance.
10. Playing time: The Novi Cats philosophy is to develop all players. To that end, game experience is a key part of development in both leagues and tournament situations. As such, the Club expects that all team members will have an opportunity to play, unless player participation at practices dictates otherwise in the Coach's judgment. It is also recognized that variability in playing time among individual players is a necessary factor in competitive sports and that this should be expected on the basis of ability, timeliness, attitude and health. All Coaches should discuss the application of this guideline with parents at the beginning of the season, and throughout the season as necessary.
