## **ARTICLE XI – COACHES**

### **XI.1 – HEAD COACHES**

- A) As mandated by Babe Ruth, all head coaches and assistants must have completed the Cal Ripken Babe Ruth online coaches' certification prior to draft day in order to coach or manage a team at Peachtree Baseball.
  - 1. Failure to comply with these rules will result in the removal of the manager or coach from the team.
  - 2. The cost of the coach's certification is the responsibility of the coach.
  - 3. The coaching certification is valid for their entire coaching career with Babe Ruth League, Inc.
  - 4. All coaches must complete a Peachtree Baseball Coaches Application and have it on file with the league in order to coach (The application does not need to be redone every year).
  - 5. In addition, each coach, assistants, and any other persons, volunteers or hired workers, who provide regular service to the league and/or have repetitive access to or contact with the players are required to complete a nationwide background check and abuse prevention training valid for 2 years in accordance with the Safe Sports Act.
- B) The vice-presidents and coaches' representatives from each division shall solicit a pool of qualified head coaches annually to be presented to the board of directors for approval.
- C) Each head coach shall be responsible for the actions of his/her respective team, coaches, and parents on the field and shall possess the following qualifications:
  - 1. Leadership and Ability
  - 2. Teaching Ability
  - 3. Good Sportsmanship
  - 4. Knowledge of Baseball Rules
- D) Each head coach, except for T-Ball Head Coaches, shall be responsible for the selection of his/her respective team during the yearly draft.
- E) If a team doesn't show for a scheduled game, and does not make prior arrangements to reschedule the game, the head coach may be suspended for the rescheduled game.
  - 1. The head coach must notify the opposing team's head coach and Vice-President to reschedule the game prior to game time.

2. If a second no-show occurs, or the head coach refuses to play the rescheduled game, the team shall forfeit the game (forfeits are not applicable in Rookie League and below).
- F) If the board of directors finds that a manager/coach is not properly fulfilling the duties/responsibilities of his/her position as manager/coach, they may be required to appear before the board of directors for an explanation. The board of directors has the right to remove said manager/coach from the active roster with at least a two-thirds (2/3) majority of the voting members present.
- G) A head coach may coach only one (1) team during a current season in the Peachtree Baseball League, however, he/she may be an assistant coach of a team in another division of Peachtree Baseball (i.e., Major's, Minor's, Rookie, T-Ball). It is strongly recommended however, for both team quality and player stability, that a person coach only one team at a time.
- H) Coaches will be removed from their positions if that person fails to fulfill their obligations, including, but not limited to, missing games, practices, abusive language etc...
- I) The Head Coach is responsible for returning league equipment to the league equipment manager by the end of the season.
1. Failure to do so will result in monetary action against that person.
  2. Failure to pay for missing equipment will result in a one-year suspension and/or legal action.
  3. All damaged equipment should also be returned and only the equipment manager will make the decision to discard any piece deemed not suitable for play.
- J) Coaches will undergo a criminal background check conducted through the US National Sex Offender website. Full disclosure is required as stated in the coaches' contract.
- K) If a head coach position opens, all potential candidates will be solicited and voted on by the Board. This applies to all divisions of the Peachtree Baseball League.
- L) A Peachtree Baseball League Coaches' Contract must be signed by all head and assistant coaches and applicable scorekeepers. All coaches, assistants, umpires, board members, players and parents will sign the Peachtree Code of Ethics.
- M) A Head Coach cannot leave one team to go to another team unless it is to fill a vacant head coaching position. All coaching moves/changes are subject to the Boards approval. The board will NOT approve a coaching move/change that it believes is being done for the purpose of stacking a team. The Board has the duty to make sure the spirit of the bylaws are being followed.

## **XI.2 – ASSISTANT COACHES**

- A) Each head coach may select one assistant coach prior to the draft (Rookie allows for 2 assistant coaches).
1. Once that coach declares that one coach his assistant, he will remain an assistant coach on the roster as long as his child is on the roster.
  2. Once the coach names an assistant coach, he cannot pick up another declared assistant until that player is no longer on the team roster.
  3. If the one declared assistant decides that he no longer wants to coach but the child is still on the team, the head coach cannot pick up another assistant until

- after draft until that player is no longer on the team roster. This is to prevent head coaches from switching coaches to automatically get players.
4. The children of coaches will be evaluated each year. The names must be submitted to the board of directors for approval.
  5. The intent of the assistant coaches must be to act as an active member of the team and not serve in name only.
  6. There will be no pre-selection of scorekeeper.
- B) In the absence of the head coach, the assistant coaches are to take over all the responsibilities required of the head coach.
- C) During their games, coaches of record will either be on the playing field as base coaches, in the dugout, or in the score booth conferring with the scorekeeper.
- D) If the board of directors finds that a head/assistant coach is not properly fulfilling the duties/responsibilities of his/her position as head/assistant coach, they may be required to appear before the board of directors for an explanation.
1. The board of directors has the right to remove said head/assistant coach from the active roster with at least a two-thirds (2/3) majority of the voting members present.

## **ARTICLE XII – PLAYER SELECTION**

### **XII.1 – PURPOSE**

The purpose of the draft is to create an evaluation system that allows the league to distribute playing talent evenly among each team in each division of the league.

### **XII.2 – GUIDELINES**

- A) All teams will be redrafted each season.
- B) No player may quit during the season and resume play during that season. If a child returns the following year they will be placed in the draft in the minor and major league divisions. Exceptions will be made for medical reasons.
- C) Players may participate in interscholastic sports outside Peachtree Baseball League.
- D) Players may only move once within a division if Board approval is granted.
- E) If a player decides not to play during regular season a partial refund may be issued. The amount refunded will be the amount of registration less the cost of the uniform, this includes hat, pants and shirt. This includes any taxes and shipping that Peachtree is charged.
- F) Minors and Majors will draft teams based on the overall evaluations of players. All head coaches and one assistant will evaluate all players, including head coaches' children. Coaches' children will be drafted according to the rank in which they were evaluated.

- G) Divisions will be based on age (Majors 11-12, Minors 9-10) except where a child ranks either very high or very low at try-outs.
1. Coaches from each division and parents of said child will decide whether the player should be placed up or down a level.
  2. Parents will be informed of the risks and/or benefits of having their child (not within the standard age range) placed up or down a level.
  3. Any player seeking to play up in a division older than their league age must be drafted in the top half of the rounds during the draft for that higher division. I.E. any league age 10-year-old looking to play in Majors in an 11 player (11 round) draft must be selected within one of the first six rounds.
  4. No player can play up in a division whose lowest normal league age is more than one year beyond the players current league age. I.e. a league a 10-year-old can play up in majors if drafted appropriately, a league age 9-year-old player cannot play in majors.
  5. The League will try to accommodate requests in the Tball division to place two players on the same team if the request does not supersede the primary goal of evenly distributing playing ability across the teams of those divisions.
  6. This does not apply to Rookie Minor, Major or the Babe Ruth divisions. Players in the Rookie, Minor, Major and Babe Ruth must play on the team they are drafted on; there will be no special requests.
  7. Siblings in the Rookie, Minor, Major and Babe Ruth divisions will be placed on the same team, unless there is a special request from the parent to not place the siblings on the same team.

H) All children must be evaluated.

1. Exceptions will be made for players who cannot try out due to unavoidable circumstances such as moving into the area, illness, and vacation.
2. If a child is unavailable for evaluations:
  - a. The division VP will attempt to arrange a separate evaluation of the player.
  - b. If that can't occur the division VP will solicit input on skill level from previous and/or current coaches
  - c. Lastly, if necessary, the division VP will call, and interview said child's parents to assess the player's abilities. (This promotes full disclosure and Equal Access to All Players).
  - d. At the draft, the division VP that spoke to the child's parents will speak on the child's behalf.
  - e. Coaches that know the players abilities will also have the chance to speak about the player's abilities.

I) All 12 yr old's must be drafted by a major team. The board may vote during draft to keep that 12 yr old player in the minors if they think that it is a safety issue for that 12 yr old to play in the majors.

J) 11yr olds must play in the division that they are drafted in.

K) All applicable players are eligible for the majors if drafted with parent consent. All players ages are determined by the Babe Ruth birth chart.

### **XII.3 – EVALUATION (Minors, Majors, Babe Ruth)**

- A) A standard form will be given to all head coaches and independents evaluating various skill areas with an emphasis on and separate category for pitching
- B) Each head coach will add the different categories and give each player a total score.
- C) Head coaches'/Independent's ratings will be averaged (discarding the individual player's highest and lowest scores) giving each child one final score or rating. Children will be ranked according to their average score.

### **XII.4 - EVALUATION (Rookie)**

- A) Rookie evaluations are done by league board members including the Rookie VP and Rookie Coaches Rep. with the mission of balancing the teams.
- B) Coaches do not need to be present to evaluate the Rookie players since scoring is done by the board members. Coaches are welcome, but not required. Rankings will be handed out at the draft so that the coaches can use them as a draft tool.
- C) A standard evaluation form will be completed by the Rookie VP/Coaches Rep with a basic evaluation of an ability to hit, throw, catch, and run. The emphasis is heavier on throwing and catching.
- D) 6-year old's and below should be evaluated as a safety risk based on whether they show an ability to throw and catch, and an ability to routinely and safely stand in the batter's box.
- E) The league will suggest that any players 6 years old and below who are deemed at risk will receive the suggestion that they play another year of TBall. Parents can override that suggestion if they choose.

### **XII.5 - DRAFT**

- A) A representative example of draft will be given to coaches to establish the following proceedings.
- B) Head coaches will establish their declared players (coaches' children) for their individual teams.
- C) Players to be drafted will be set in numerical order by their evaluation ranking from highest to lowest.
- D) Any player seeking to play up in a division older than their league age must be drafted in the top half of the rounds during the draft for that higher division. I.E. any league age 10-year-old looking to play in Majors in an 11 player (11 round) draft must be selected within one of the first six rounds.
- E) Round 1: Move up one player from the bench for each team ONLY IF that players rank is higher or equal to that of the highest ranked, draft-able player.
  - 1. For teams whose highest ranked player is below the highest ranked draft-able player: those teams will draft one player from the draft-able player list, in order of their highest ranked player on their bench, from least to greatest.
- F) Round 2 and beyond: Teams will select players in order of their teams overall score, from least to greatest.

1. When it is a team's turn to select a player, they will select a player from the draft-able list ONLY IF the highest ranked player on their bench is below the rank of the highest ranked available player.
  2. If that team has a player on the bench whose rank is equal or greater than the highest ranked draft-able player, then that player will move off the bench in that round and that team does not select from the draft-able player list.
- G) When selecting from the draft-able player list, if a team selects a player with a lower rank than the highest-ranking player available, i.e., selecting a player ranked “six” when one ranked “nine” is available, then the “six” will automatically become a “nine” and registered as such in the draft chart.
- F) After the draft is complete, each team’s players’ scores should add up to the same or similar total score, +/- a reasonable margin.
- G) No new players will be added to the teams after the draft. However, the Board may make a special exception in hardship cases with extraordinary circumstances.
- H) Balance should be achieved and evaluated by the President and league VPs.
1. Any additional players who are permitted to sign up after the draft will be placed on a team by a majority selection by the President and VPs.
  2. Number of players on each team, draft scores, and number of pitchers on each team should all be considered.)
  3. All head coaches will be responsible for contacting their players within 48 hours of draft.
- I) Privacy - The player rankings will be strictly confidential and shall not be discussed with anyone outside the Board of Directors, Commissioner, Head and Assistant coaches for that specific level. All draft ranking sheets will be returned to the League President upon completion of the draft.

### **ARTICLE XIII - LEAGUE GOVERNING RULES**

- A) The “Regulation and Playing Rules of the Babe Ruth Baseball League, Inc.” and “Softball Rules and Regulations and Official Playing Rules of the Babe Ruth League, Inc.” are the official rules and regulations for the current season play followed by Peachtree Baseball League. Additional rules and regulations authorized by the Peachtree Baseball League will also apply.
- B) Good sportsmanship is always required, including board members, coaches, umpires, scorekeepers, players and parents.
- C) A zero-tolerance policy is always in effect regarding alcohol, tobacco, illegal substances, etc., during practices, games, travel to and from related Peachtree programs, or while on the grounds used by the League during season and/or tournament activities.
1. This applies to all participants; board members, coaches, umpires, concession stand operators, groundskeepers, parents and spectators etc.
  2. Failure to comply with this policy will result in an immediate one-year suspension from the League.
- D) Violation of the “rules and regulations” will result in an ejection from the present

game and a one-game suspension. The Board will review two ejections during a season and penalties can include a one-year suspension from the League from the date of the second ejection.

- E) No physical confrontations will be tolerated. Any violation of this rule will result in a minimum one-year suspension from the League from the date of incident and /or legal action.
- F) Any person, including players, coaches, parents, assistants, etc., must leave the physical premises immediately after being ejected.
  - 1. The premises are defined as the playing field and/or any area within view of the playing field.
  - 2. Failure to do so may result in suspension from future games.
  - 3. All suspensions stemming from ejections are subject to Board approval.
- G) Active fenced in playing area is limited to only those two teams and their coaches, assistants and scorekeepers
- H) In the T-ball division children will be placed on a team. In Rookie, Minor, and Major and 8U, 10U and 12U softball divisions, players are drafted by the head coaches. Procedures for the draft are set forth in greater detail in the draft section of the bylaws.
- I) Cal Ripken Umpires
  - 1. Cal Ripken plate umpires must be 17yrs of age and must be Babe Ruth certified.

- K) Once a child is registered in the League, you will be required to assist with the concession at least once during the season.
- L) RULE CONFLICTS - Where provisions in the Local League Bylaws conflict provisions in other governing rules and regulations, the Bylaws will govern.

#### **ARTICLE XIV – Miscellaneous**

- A) Lightning policy will coincide with NATA, NCAA and NSLI safety minimums as follows:
  - 1. A chain of command shall be designated as to who monitors weather conditions and who makes the decision to remove teams and individuals from the field.
  - 2. The person designated to be the weather monitor shall, when the flash-to-bang (lightning to thunder) count reaches 30 seconds, inform all participants and parents, etc to clear the field and go to their cars.
  - 3. Games may resume once at least 30 minutes has passed since the last flash of

lightning or sound of thunder.

4. There is a weather monitoring system in each concession stand. It is to be monitored by the concession workers. The machines are to be turned on & off each evening. In the event of lightning & severe storms they need to quickly communicate with umpires and coaches on each field to alert them of the imminent danger.
5. All players, parents, concession workers, umpires, anyone at the field, must go to their vehicles. No one is to sit in the dugouts or be under the pavilion once the weather monitor goes off.

**B) Scholarship Policy**

1. As a nonprofit organization, it is the desire of Peachtree Baseball that all children be able to participate, regardless of financial constraints. The League offers scholarships on an as-needed individual basis each season. All conversations and information may be shared with the Board but will be held in the strictest of confidence.
2. Whenever possible the League asks that families pay a partial payment of what they can afford at the time of the arrangement. When granting full or partial scholarships the League requires the family to cover two, two-hour concession stand shift per child, with a 6 hour max per family for the season that the scholarship is provided. Concession times will be set by the Concession Stand Coordinator before the season begins.
