Rules of Play

FIFA Laws

FIFA Laws of the Game apply as modified by USYSA as described herein. U9/U10 will play with the Build Out Line Rules per US Soccer Player Development Initiatives. Please see "Build Out Line" below for explanation of the rule.

Duration

Duration of games and overtimes (by halves) and ball size are as follows:

U09, U10, U11, U12

Prelim (group stage) 25 minutes

Semi-finals 25 minutes

Finals 30 minutes

Overtime (per half) 5 minutes

Ball size: Size 4

U13, U14, 15

Prelim (group stage) 30 minutes

Semi-finals 30 minutes

Finals 35 minutes

Overtime (per half) 7 minutes

Ball size: Size 5

U16, U17, U18, U19

Prelim (group stage) 35 minutes

Semi-finals 35 minutes

Finals 40 minutes

Overtime (per half) 10 minutes

Ball size: Size 5

* Preliminary Games shall be terminated five (5) minutes prior to the scheduled start of the next game, regardless of the amount of time played in each half up to that point. A game is complete upon completion of one half of play, regardless of the circumstances of termination during the second half with final results based on the score at termination. A preliminary game can end in a tie.

** Semi-final or Final games, if tied after regulation, will continue with up to two overtime halves. A goal scored during overtime ends the game (Golden goal). If a tie still exists after overtime halves in a Semi-Final or Final game, Kicks from the Penalty Mark will determine the winner. Kicks from the Penalty Mark immediately follow the game.

Build Out Line: 7v7 only

All U9/10 games, 7v7, will play with a Build Out Line.

The build out line promotes playing the ball out of the back in a less pressured setting. When the goalkeeper has the ball, either during play (from the opponent) or from a goal kick, the opposing team must move behind the build out line until the ball is put into play. Once the opposing team is behind the build out line, the goalkeeper can pass, throw or roll the ball into play (punting is not allowed). After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and play resumes as normal.

If a goalkeeper punts the ball, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the punt occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.

The build out line will also be used to denote where offside offenses can be called. Players cannot be penalized for an offside offense between the halfway line and the build out line. Players can be penalized for an offside offense between the build out line and goal line.

Kicks from the Penalty Mark

Kicks from the Penalty Mark immediately follow the game and will be taken in accordance with FIFA guidance. If time constraints exist, Kicks may be taken from a different field and/or with a different officiating crew, at the Tournament Director's (or designee's) discretion.

Players taking the Kicks may be chosen only from players on the field at the end of the second overtime period. For this purpose, a player temporarily off the field to deal with an injury or to correct an equipment defect is considered to be on the field.

If one team has fewer players than the other at the end of the second overtime due to injury or send-offs, the other team must remove player until both teams have an equal number of eligible players to take the Kicks ('Reduce to Equate'). If the teams become unequal after the beginning of the Kicks (e.g. because a player is sent off or injured during the actual taking of the Kicks), the other team does not reduce their number of eligible players. Substitutions are not permitted during Kicks; however, an injured goalkeeper may be substituted. If the goalkeeper took a kick before being replaced, the goalkeepers substitute is also considered to have kicked. The goalkeeper may also switch places with an eligible player (i.e. any player on the field to take kicks) between Kicks, regardless of whether the goalkeeper is injured. No eligible player will be permitted to kick more than once in the same round.

The Referee shall conduct a coin toss, the winner of which may choose whether to kick first or second. The Referee shall determine which goal to use.

If a kicker violates Law 14, and a goal is scored, the Kick must be retaken. If a goal is not scored, no retake is permitted. If the goalkeeper violates Law 14 and a goal is not scored, then the kick must be retaken. If a goal is scored, then the goal counts. The retake need not be taken by the same player as the original kick, provided that there is an eligible player (e.g. one who has not yet kicked in the round) available to take the Kick instead.

Goalkeepers are reminded that they are not permitted to leave the end-line and move forward until the ball has been placed into play. Lateral (side-to-side) movement is permitted. Coaches are encouraged to request that the Referee physically demonstrate for both goalkeepers how forward movement will be called (e.g. will the Referee permit one step forward, etc.), as officials interpret forward movement differently. This will help eliminate any confusion on this issue.

Kicks are conducted in pairs, one from each team, for an initial round of up to five pairs. Kicks proceed past the initial round of five only if, after five Kicks by each team, the score is still tied. Past the initial group of five, Kicks proceed only in single pairs and one team is declared the winner if that team has scored in its pair but the other team has not ('Sudden Victory'). Once all eligible players have kicked, and no team has been declared the winner, a new round begins, still 'Sudden Victory'. All players are once again eligible to Kick and players are not required to Kick in the same order as in any previous round. No eligible player will be permitted to kick more than once in the same round.

Halftime

Halftime is five (5) minutes.

Substitution

Free substitution is allowed in all age groups; however, teams may substitute only with the referee's permission, only by entering at the half line, and only at the following times (including overtimes):

1. Prior to a throw-in, by either the team
2. Prior to a goal kick, by either team
3. After a goal, by either team
4. After an injury when the referee stops play, by either team
5. At halftime, by either team
6. On a caution, only the cautioned player may be substituted at that time.

7v7 and 9v9: Substitutions are unlimited and can occur at any stoppage.

Player's Equipment

Shin guards are mandatory for all players. It is at the Referee's discretion whether to allow a player to play wearing an orthopedic cast or hard brace.

Coaches, Team Officials, and Spectators

All coaches have total responsibility for the conduct of their players, friends and spectators at all times. Coaching from the sidelines by coaches (giving direction to one's own team on points of strategy and position) is permitted, provided:

- No mechanical devices are used
- The tone of the voice is instructive and not derogatory
- All coaches, team officials, and substitute players remain outside of the area within ten (10) yards of the half line, except for players entering and exiting the field
- No coach, team official, substitute, or spectator makes derogatory remarks or gestures to the referees, other coaches, team officials, players, substitutes or spectators
- No coach, substitute, team official, or spectator uses profanity or incites in any manner, disruptive behavior.
- No noise-making electronic or mechanical devices are allowed. This includes use by the spectators, coaches or players.

The Referee has the authority to remove spectators for disruptive behavior during the time when the Referee ordinarily has authority over players, substitutes, coaches, and team officials, and may terminate the match if said spectator refuses to vacate the premises. This includes the period immediately before and after the match when the officiating crew is on or near the field of play. The Referee shall make a full report to the Tournament Director of any spectator so removed. The Tournament Director reserves the right to ban a spectator from further participation in the tournament.

Cautions and Send-Offs

A player receiving two cautions (Yellow Cards) in a single game is considered to have received a "send-off" (Red Card) for the purpose of awarding points for the tournament competition. A player who has been sent-off cannot be replaced. A player who has been sent off, or coach or bench-person who has been dismissed, cannot return for the game and is not allowed to participate in the next scheduled game. A player who is sent off for violent conduct is not allowed to participate in the next two (2) scheduled games. The Tournament Disciplinary Committee (made up of the Tournament Director or designee, the Assistant Tournament Director/Co-Director or designee, and the Director of Referees or designee) reserves the right to modify these penalties at its discretion. Any player, coach, or bench person who assaults a referee shall be expelled from the tournament, referred to their State Association and reported to law enforcement. For the purpose of this tournament, a coach can be "cautioned" (yellow-card).

The home State Association, CSA, or member thereof and the home club, DYSA, shall, except in the case of referee assault or abuse, have the responsibility for imposing, should circumstances warrant, additional penalties within their respective jurisdictions with regard to any matters arising from the tournament or games.

Terminating Games

If, in the opinion of the Referee or authorized tournament officials, a game must be terminated for misconduct of players, coaches, or spectators, the offending team forfeits that game and may be suspended by the Tournament Director from all

remaining games. All previous points earned remain as played. Additionally, the home league and state association will be contacted as appropriate.

Injury

A delay of the game due to injury results in appropriate time being added to the full game time, based on the judgment of the referee; however, all preliminary games must end not less than five (5) minutes prior to the scheduled start of the next game. If time added results in the game ending less than 5 minutes before the start of the next scheduled game, the game will end regardless of time remaining.

First Aid

First Aid services are available at all fields during the tournament. A Field Marshal is on site to direct participants to first aid services as well as to other medical and ambulance services. Ice is available for player injury use.

Concussive Initiative

Per U.S. Soccer's Concussion Initiative, if a player is suspected to have a head injury the referee is instructed to stop play to allow for treatment/evaluation as needed. If the player leaves the field of play for additional evaluation, a substitution can be made in that moment. The player with the suspected head injury may not return to the game unless a Health Care Professional (HCP) or Certified Athletic Trainer (ATC) has cleared the player. Any coach or parent insisting on returning the player to the game without approved clearance will result in the referee ending the game.

U9/10: Deliberate heading is not allowed in 7v7 games. If a player deliberately heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.

U11: Deliberate heading is not allowed in U11 games. If a player deliberately heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.

U12: Heading is allowed in U12 games without limitations.

Tournament Competition Determining Winners

Teams are awarded points on the following basis:

- Six (6) points for each win
- Three (3) points for each tie
- Zero (0) points for each loss
- One (1) point for each goal scored up to a maximum of three (3) per game
- One (1) point for each shutout
- Minus one (1) point for each player sent off or coach/team official dismissed
- 0-0 tie is scored as four (4) points for each team (3 for the tie, 1 for the shutout)

In the event of a tie in points at the end of bracket play, the winner for advancement or placement play is determined as follows:

1. The winner in head-to-head competition
2. Fewest goals against
3. Most goals for
4. Most total wins
5. Most shutouts
6. Goal differential
7. Kicks from the Penalty Mark – this may require that teams return to the field after the last game is played in the bracket. This may be mid-day, at the end of a day or before the games begin on Sunday at the discretion of the Tournament Director.
8. A drawing by lots (As recommended by the Colorado Youth Soccer tournament manual)

In the event of a three-way tie at the end of bracket play, the winner for advancement or placement is determined as above, without consideration for comparison of head-to-head competition to eliminate one team. Advancement for the remaining two teams is determined as above with consideration for head to head competition.

Pre-Game Check-in

Player Cards & Roster

Player cards and copy of **approved** tournament roster **must** be provided to referee at on- field pre-game check in. Teams failing to provide will forfeit game(s) 3-0.

The referee will return player cards and tournament roster to their respective coaches at the completion of the game.

Every player must be able to verify age if challenged.

Home Team

The home team is the team that appears first on the game schedule. The home team supplies the game ball, which is subject to referee approval. The home team is required to switch to alternate jerseys if a color conflict is declared by the referee. If the home team cannot supply alternate jerseys, and the away team is unable to do so, then the home team forfeits the game. Both teams must be located on the same side of the field and spectators on the other side of the field. The home team chooses the team side of the field and the half of the field where the home team will be situated.

Forfeits and Byes

Teams failing to report ready to play within fifteen (15) minutes of the scheduled kick-off time, home teams unable to supply alternate jerseys (and the visiting team is unable to do so), or teams failing to register at Mandatory Check-In forfeit the game(s) with a score of 3-0. The Tournament Director reserves the right to waive this penalty at his or her discretion for good cause (e.g. airline lost luggage, inclement weather delays, appropriate rest/recovery period between games due to field delays, etc.). In the case of inclement weather delays, teams must be allowed the minimum rest period between games and the Tournament Director reserves the right to waive the 15-minute "ready to report" rule and/or may push back the scheduled kick-off time to accommodate the minimum rest period between games. In the event of a forfeit, the winning team is awarded ten (10) points (6 for the win, 3 for the goals, and 1 for the shutout). The same points are awarded for a bye.

Protests

No protests are allowed.

Disputes

The Tournament Director or his/her designee settles all disputes and the decision is final.

Age challenges must be reported to the Field Marshall prior to the second half of the game in which the dispute arises.

Inclement Weather Contingency Plan

In the event of inclement weather, the Tournament Director reserves the right to modify all tournament rules to fairly and safely complete the tournament. The health and safety of the players is the first priority. The second priority is to protect Durango's limited fields and facilities. All decisions are guided by these principles. Coaches are asked to remain flexible because there may be opportunities to switch game locations to facilitate successful completion.

Modified game schedules do not affect tournament scoring.

As a result of inclement weather, the Tournament Director may implement any of the following:

1. Eliminate pre-game warm-ups on the field (to protect the field), game times to continue as scheduled.
2. Eliminate pre-game warm-up on the field (to protect the field) and shorten all first-round games to no less than 15-minute halves

3. If the interruptions alter the schedule so that 15-minute halves are not possible, then the games are decided by Kicks from the Penalty Mark in accordance with FIFA guidance.

In the case of inclement weather delays, teams must be allowed the appropriate rest period between games and the Tournament Director reserves the right to waive the 15-minute "ready to report" rule and/or may alter the scheduled kick-off time to accommodate appropriate rest/recovery period between games. This kick-off time alteration may occur after a team has already reported to a field for play (at the designated time) if the other team has not met the appropriate rest period. During inclement weather delays, every effort will be made to accommodate teams so that all games will be played; the Tournament Director's decision will be final with regard to all reschedules, game interruptions, and forfeits during inclement weather delays. No refunds will be allowed due to inclement weather or due to Tournament Director decisions with regard to reschedules, game interruptions, and/or forfeits during inclement weather delays.

The Tournament Director, Field Marshals and/or Tournament Officials make all inclement weather decisions. Coaches will be informed of any anticipated changes in the schedule during player check-in or as soon as possible prior to scheduled games.

Refunds

No refunds will be allowed once a team is accepted to the tournament except in extreme circumstances. No refunds will be allowed due to inclement weather or due to Tournament Director decisions with regard to reschedules, game interruptions, and/or forfeits during inclement weather delays. No refunds will be allowed due to opposing team forfeiture.

All tournament rules are subject to the Tournament Director's discretion and may be modified as deemed necessary.
