

Rio Rapids Durango Soccer Club Request for Refund

Rio Rapids Durango Soccer Club has a no refund policy. If a player withdraws after being rostered on a team, the registration fee is non-refundable unless there are unusual circumstances such as an injury that prevents play for an extended period of time or a long distance move. Refunds always require Board approval. This written request for refund must be submitted to the Club Administrator, who will present to the RRDSC Board of Directors.

To receive a refund, this form must be filled out and submitted for approval by the RRDSC Board of Directors. Submitting this request does not insure that a refund will be made. This form should be sent electronically or mailed to:
