Hamilton Little Lads Basketball Families...

In "normal" times, I'd be sending this message notifying you that registration is about to open for the upcoming season. As we all know, nothing is "normal" about 2020.

Unfortunately, we are not yet opening registration, and have no timeline in which we expect to. With the schools going 100% remote until at least mid-October, we know with certainty that there is no chance of us starting in early October as we usually do.

It's understood that even when schools are able to reopen, they will need time before they let outside organizations use their facilities. Rest assured, when the schools give us the green light, we'll be ready to go.

The Board of Directors and I have been discussing plans for different start dates, and ways to provide a safe environment for all when we're able to play. Chances are that this season will not be like seasons past, but we are committed to providing as complete a season as possible.

We will continue to provide updates, as needed. As always, feel free to contact us via email with any questions, comments, or concerns at [LittleLadsBasketball@gmail.com](mailto:LittleLadsBasketball@gmail.com).

Stay safe!

Dave
