

Burrell Youth Wrestling

PARENT/GUARDIAN CODE OF CONDUCT

I will encourage good sportsmanship by demonstrating positive support for all participants, coaches, opposing team and officials at every match, practice or other youth sports events.

I will place the emotional and physical well-being of my child ahead of any personal desire to win.

I will provide support for coaches and officials working with my child to provide a positive, enjoyable experience.

I will remember the match is for the child and not the adults.

I will do my very best to make youth sports are fun for my child.

I will ask my child to treat other wrestlers, coaches, fans, and officials with respect regardless of race, sex, creed, religion or ability.

I will promise to help my child enjoy the youth sports experience within my personal constraints by assisting with coaching, being a respectful fan, providing transportation or whatever I am capable of doing.

I will do my mandatory parent participation at the match that we will host.

I understand that fighting, use of profanity, disrespect towards coaches, opposing teams or official, or continued unruly behavior will not be tolerated.

I understand that there should be no mat interference at practice or matches.

I will adhere to the mandatory 24 hour rule that states that any problems with the coaching staff needs to be address after 24 hours of the conflict

I understand that failure to adhere to the above Code of Conduct may result in disciplinary action including removal from the program.

Due to unexpected events such as sudden changes in weather, if you are not going to stay at practice, you must designate a guardian who is responsible for your child while you are away. Give the Head Coach or Board member an emergency number where you can be reached at all times. Parents should be at the building 15 minutes prior to practice ending.

I will demand a drug, alcohol and tobacco-free environment for my child and I will refrain from their use at all Youth Wrestling matches and practices. Not following this rule can result in removal from the program.

I have read and understand every part of this Parent/Guardian Code of Conduct.
