

Coaches' Code of Ethics

Soccer is a player's game. The paramount concern of MFC coaches is SAFETY FIRST. As well as the development, welfare, and enjoyment of each individual player.

- I will bear the responsibility for teaching each individual player to strive for success while playing fairly, observing the laws of the game while displaying the highest level of sportsmanship.
- I will be responsible for cultivating each individual player's love of the game. I shall seek to improve his/her knowledge of the game and coaching to ensure that he/she is provided age appropriate information and the best development experience to each individual player.
- I will do my best to organize practices that are fun and challenging for all players. I will carry the responsibility for teaching character building values such as respect, hard work, perseverance, courage, trust, honesty, humility and pride to each individual player.
- I will lead by example in demonstrating fair play and sportsmanship to all players, opponents, officials and spectators. I shall communicate with respect and dignity and shall teach each individual player to do the same.
- I shall provide a sports environment for their team that is free of illegal drugs, tobacco, alcohol, profanity, abusive language and conduct which could be deemed offensive, and will refrain from their use at all practices and games.
- I will learn the strengths and weaknesses of my players so that I might place them into situations where they have a maximum opportunity to achieve success.
- I will maintain an open line of communication with my players, parents and team manager. I will refrain from any direct contact with MFC players without parent/team manager and board consent.
- I acknowledge that this Code of Conduct has been adopted by MFC and agree that if I fail to abide by the rules and guidelines, I will be subject to disciplinary action by MFC that could include, but is not limited to the following:
 - Warning
 - Probation
 - Removal from program

In the event a situation rises which calls for interpretation, MFC will take into account the best interest of each athlete, the entire team, and the integrity of Millennium Futbol Club. MFC board decisions will be final.
