MFC Fields Rules/Reminders

We are fortunate to be able to lease the fields from the church at a reasonable price. As part of our use of the fields, we want to remind all kids to respect the fields, our property and the property of adjacent houses. Neighbors can and do contact the church about property damages and perceived mis-conduct during practices. Please remind your kids to be respectful, avoid going into neighboring yards, kicking the balls toward neighboring houses, etc. Also, parents, please park in the actual church parking lot and not on the church driveway. This is a church rule. Thank you!
