A few reminders:

Website:

The [Millennium FC Website](#) is your portal to information about fees, upcoming meetings, etc.

Church/Field Rules:

*No parking on the grass or driveway, park in designated stalls only.

*Avoid going into neighboring yards

*Fields should not be used outside of practice times and club events. We (MFC) are liable for any accidents that occur on these fields, especially around soccer goals. We also request that players do NOT hang on the goals.

What to expect this season

As we continue to grow as a club and anticipate the upcoming changes in age group timing, coaches are continuing to closely evaluate players and make decisions on playing time, playing up and training players vs. full-time players. If you have questions about your individual child, speak with your coach(s) outside of normal practice/game time.

In addition, there are changes regarding the banning of heading for children 10 and under. For more information about the heading ban and the potential age grouping changes for fall, visit the page on our website dedicated to these topics.
