St. Patrick's Day Invitational SCORE-KEEPING

For St. Patrick's Day Invitational Score-keeping, it is required that the **winning team** return a correct score card for each game to the field site coordinator's tent. And for tie games the **home team** will be required to turn in the game score card. *Referees will provide the winning coach (or home team for ties) a scorecard, which must be turned into the Site Coordinators Tent immediately following the game!*

I understand that if my team is the winning team (or home team for tie games) that a team official is required to return completed Game Card to the site coordinator's tent immediately following the game. This includes all group games, all playoff games and all consolation games.
