FFC FUTSAL PROGRAMMING, EXPANDING MOVING TO FREDERICKSBURG CHRISTIAN SCHOOL

FREDERICKSBURG, VA (August 31, 2017) – Fredericksburg FC is pleased to announce a new partnership heading into our Fall futsal programming.

The club recently reached an agreement with Fredericksburg Christian School, located on Thornton Rolling Road off Route 17, just 2.5 miles from FFC Park to use its facilities for our futsal program.

The move will allow the program to grow with the ability to use three futsal courts simultaneously in FCS's main and auxiliary gymnasiums. The expansion to multiple courts will allow more manacle time slots and futsal team training and events this upcoming Fall and Winter.

FFC Futsal Director Juan Monge said it was an opportunity that the club just couldn't pass up.

“The club is always looking for chances to grow our programs, and having this partnership with Fredericksburg Christian School will definitely make our Futsal I.D. Program stronger than what it is now.”

The three courts that will be available at FCS will allow more players to be involved in the various futsal programs FFC offers, allowing for more training, player growth and development.

The more players are exposed to futsal, the more the club can grow as a whole in both skill and passion for the game, Monge said.

“With bringing the community together, the club is looking to bring kids, no matter the age and soccer skill level, together to enjoy ‘the beautiful game.’”
