

General Procedure Notes for Parents:

- Please arrive no earlier than 5 minutes prior to your scheduled start time.
- Parents are not permitted on the field during any scheduled event.
 - Parents of younger players may assist in getting their kids to the right location but then must leave the field.
- Parents who wish to stay may watch from their vehicles and/or near parking lot but must wear masks and adhere to 6-foot distance requirements if outside their vehicles.
- Upon completion of training, players and parents should leave fields and parking lots immediately.
- Should any symptoms present or if your child is not feeling well in any way, DO NOT participate in trainings that day and do not come to the fields.
- It is recommended bringing a clean shirt for post training so that any jersey worn can be removed in order to promote enhanced hygiene opportunity.

General Procedure Notes for Players:

- Please have players ready to participate upon arrival.
 - Players should not be getting ready while on the field.
- Players should bring their own equipment and water bottles to all training events.
 - No sharing of any water or equipment at any time should take place.
- Players should bring mask and hand sanitizer to all events.
 - Players should hand sanitize prior to entering training and immediately at the conclusion.
 - Masks must be worn entering and exiting the field but are not required to wear during actual training.
 - Masks can be worn during training if desired. However, only those that do not go physically around the neck are permissible.
- Please avoid group celebrations (high fives).

Please note: Parents are responsible for ensuring all players have a mask and sanitizer. Although we will work to have sanitizer is available, we cannot ensure that this will be the case at all times.
