

Brute products are made from the highest quality technical fabrics, designed to help you perform to your best ability. To maximize the life of your garment, we recommend the following care instructions:

Basic Care Instructions

- Machine wash separately, cold water
- Do not bleach
- Remove promptly
- Tumble dry no heat or line dry
- Do not iron

Helpful Hints to Extend the Life of Your Garment

- Do not use fabric softener. Fabric softener compromises the material's wicking properties
- Use mild (non-phosphorous) detergent. Phosphates can cause bleeding.
- Wash white and colored garments separately
- Wash with similar synthetic fabrics; avoid washing with items such as towels, denim and warm-ups

Brute wrestling products are distributed by Henson Group Sports.
