

# Team GA Beginner Tournament Standards

## Mission

Provide a venue for first and second year wrestlers to compete against other wrestlers with similar years of experience. To give them an opportunity to succeed, keep them interested in wrestling, and grow the sport in the state of Georgia.

## Objective

Reduce the number of wrestlers leaving the sport after one or two years due to an initial lack of success. To allow them to build confidence by wrestling kids with the same level of experience rather than finding themselves competing against much more experienced wrestlers week after week.

## Qualifications

Team GA sanctions two (2) types of Beginners' Tournaments; it is the Tournament Directors choice which to run.

1. Rookie – This tournament is for first year wrestlers only, first year the wrestler has held a USA card, or entered any other competitive wrestling event. Those who participated in the Mat Rats, 4 year old and younger, are exempt from this stipulation unless they competed in any Beginner, Open Tournaments, or Tournament Duals during the previous season.
2. Novice – This tournament is for first and second year wrestlers that have never placed at State.

Appeals and Complaints to these qualifications should be submitted to the Beginners Tournament Committee for consideration.

## Tournament Operations

Tournaments will be available for all age groups U6 thru U14. It is up to the Tournament Director whether it is open to little kids only (U6, U8, U10) and/or big kids (U12, U14). Whichever they choose, it must be stated clearly on all advertising for the event.
