If a Bronze card is required – the only acceptable proof of a bronze certification is to have Bronze, Silver or Gold printed to the right of the words Coach Membership. For Qualifiers and State, coaches must have taken at least the Bronze class. Copper is not accepted. They may also have had additional educational training and be either a Silver or a Gold Coach. The Bronze Credit card is not acceptable as proof of a coaches card. Please contact USA wrestling if your Coaches card does not say Bronze and you have taken the class.
