An All-Star team could advance and play several hours from home and require hotel rooms, travel, etc. A fee of **\$100.00** per player will be assessed by the League to help cover the cost of the uniforms and miscellaneous. This fee WILL NOT cover all of your child's expenses. You may be asked to pay additional money to cover additional expenses. All teams are responsible for their own expenses as they are not paid by the league. TOC fees will also be **\$100.00**. Playing time WILL NOT be equal, and your child may NOT play every inning or the same position that he/she played during the regular season. Minimum play rules vary from tourney to tourney. See LLI rules online for details. Playing time and position assignments are at the sole discretion of the Manager.
