

**KANSAS STATE YOUTH SOCCER ASSOCIATION  
MULTIPLE ROSTERING RULE**

Revised 07-00

1. A player may be multiple rostered to two or more teams during the seasonal year.
2. Prior to competing with any team in a sanctioned event, a player when first rostered in any seasonal year may be simultaneously rostered to two or more teams. The player will be counted as a “transfer” when rostering to any team other than the teams(s) to which he/she is simultaneously rostered.
3. Any player wishing to be multiple rostered, must complete a KSYSA Multiple Roster Request form. This form will designate the player’s “primary” and “secondary” teams and must be signed by the player, his/her parent or legal guardian, and a coach from each involved team.
4. In the event that the coaches of the involved teams disagree on the designation of the primary team, the player may not play until the issue has been resolved.
5. A player may change his/her “primary” designation at any time during the seasonal year by submitting a revised KSYSA Multiple Roster Request form, complete with all applicable signatures.
6. In the event of any schedule conflict, the games for the “primary” team will always take precedence. The player must play for the “primary” team if he/she plays. The one exception to this rule would be if there is a schedule conflict with a State Select team event, the player may play for the State Select team.
7. If both teams enter the same competition (State Cup, tournaments, etc.), the player must play for his/her “primary” team.
8. If a player who is multiple rostered wishes to be a “guest player” for another team, the Player Loan Agreement must be signed by the coaches of all teams to which the player is rostered before the form can be approved.
9. A multiple rostered player will be issued a USYSA player pass for each team to which he/she is rostered. Each player pass shall indicate whether the team is “primary” or “secondary”.
10. A copy of each Multiple Roster Request form must be sent to the KSYSA State Office.
11. No coach, assistant coach, trainer, team representative, registered player or parent may approach a player for the purposes of multiple rostering without first contacting that same player’s current coach. Failure to comply with this rule shall result in the offending party serving a three (3) game suspension.

*Whenever a player changes his/her primary designation, all previously issued USYSA passes that are affected by the revision must be turned in to the respective Registrar prior to any other passes being issued.*

**PLEASE NOTE:**

Although USYSA and KSYSA rules allow players to roster on two or more teams, some leagues have restrictions on players playing on more than one team in that league. Check with your local playing association (league where your team plays) to see what their league rules are.
