

Red Land Youth Baseball

Bambino Buddy Ball

What is it? Bambino Buddy-Ball is a division of Babe Ruth Baseball that allows challenged and special needs athletes to develop confidence and positive self-esteem. It allows them to be part of an organized sport and assists with physical fitness as well as their social needs.

Who is this for? The Bambino Buddy-Ball division of Red Land Youth Baseball is open to anyone with the West Shore School District with special needs and between the ages of 5-15.

What is a Buddy? A buddy is a volunteer who assists our players with everything from throwing, catching to baserunning and hitting.

Why is RLYB starting this division? Better question is why did it take so long? We pride ourselves on serving the youth of our community. We've been doing our best since 1974. We want to take this even further and offer the same fun experience and love of the game to all of our friends.

What is the cost? The cost will be \$30 per player. This is just to cover cost of a uniform and insurance.

When will the practices and games take place? We are still working that out. Once we determine if there is enough interest, we can come up with schedules for practices and games.

Great! How do we sign up? Right now we are looking to see what the interest would be. We hope there is a lot of interest. We would love for this to take off and become a permanent division of RLYB. To express interest in participating, please email bambino@redlandyouthbaseball.com.

Thank you!
