Greater Keene Youth Baseball and Softball Association will issue registration refunds prior to team selection. No refunds will be issued after teams have been selected. Registration refunds will be issued at the earliest convenience to the treasurer and may take 2 to 4 weeks to process. There is a \$10.00 administrative fee per refund.

No refunds will be issued regardless of the date, if the person has knowingly provided fraudulent data (example: wrong date of birth, wrong address).

Fundraising fees are non-refundable.

To obtain a refund, submit an email to the league treasurer, with the child's name, age, reason for refund, parent/guardian name, and address the refund can be mailed to.

Exceptions

If a player is deemed not eligible to play in the GKYBSA league due to boundary issues (example: GKYBSA accepts a registration and the player is not eligible to play in our league), they will receive a full refund (no administrative fee will be charged). If they have already picked up fundraising, they have the option of still turning in the fundraising or returning all unsold raffle tickets.

In the event of an injury, refund of registration fees will issued if prior to opening day.
