Dear Business Owner/Operator:

The Murrieta National Little League, a non-profit organization, has been a fixture in Murrieta and Riverside County for over 50 years. We provide Baseball leagues and Challenger leagues, as well as tournament and instructional opportunities for over 1000 boys and girls in the Murrieta community each year.

As a Community-Supported Non-Profit organization we rely on the generosity of our local businesses in order to keep the registration fees charged to our players and their families at an affordable level. With the knowledge that your business is one that supports the community it operates in, we would like to formally request your financial support by offering the opportunity to assist us in acquiring items such as snack bar supplies, baseballs, safety equipment and other items required to successfully operate our league.

Please see the attached sponsorship opportunities and choose the option that best fits your advertising needs and financial budget.

If a financial donation is not possible for your business please be aware that we are happy to accept In-Kind donations, please contact me to discuss our needs and how you can help.

Your support is appreciated and will go a long way in helping Little League Baseball teach the values of Character, Courage and Loyalty to the future leaders of our communities.

Please feel free to contact me with any questions you may have, we look forward to hearing from you and discussing how you can help.

Thank you,

Board of Directors
