

Emmorton Rec Council Indoor Soccer

PARENTS LETTER

Hello,

On behalf of the Emmorton Recreation Council and the Indoor Soccer program we welcome you, your family, your guests and children to this indoor soccer session. We are doing all we can to contain costs while still providing this fun activity for the children of our community.

Our goal as volunteers is to simply provide a fun organized and safe activity for the children of our community. With the first weekend for meet/greet/scrimmage and then seven games, this indoor session is simply for fun. We will not review standings, rank teams, or distribute trophies. With that understanding we want to insure that all parents assist us in meeting our goal by taking responsibility for your actions as well as those of your guests and children. We expect the following from all spectators:

- 1) No banging on the glass.
- 2) Allow the coach to coach the team. All sideline comments shall be positive ones. Do not yell instructions to players, coaches or officials.
- 3) No one shall abuse or instruct the abuse of a player, coach, official or another spectator either verbally or physically.
- 4) Respect of the official's authority is paramount. Spectators will not verbally abuse or harass an official.
- 5) No parent or spectator shall enter the field of play for any reason at anytime.
- 6) Have fun cheering and yelling in the stands but please keep your comments positive. If you see a great play made by the opposing team cheer for them also!

Our program is a Recreation Council program and therefore we must follow Recreation Council rules for registration, team formation and play time.

- 1) Every child who registers during the scheduled registrations is placed on a team. Late registrations are used to fill teams.
- 2) Coach requests and carpool requests can be made but are not guaranteed. Recruiting players by coaches is strictly prohibited.
- 3) All players are to get equal playing time. This means that no individual player (goalies excluded) shall be allowed to play a full half or a full game unless there are not enough players to provide for substitutes. If any player must play a full half for some reason, that player shall not return to the field of play for the beginning of the following half.

If any parent believes that the conduct of any other parent, spectator, coach or player is detrimental to the enjoyment of our program please contact one of the members of the Emmorton Recreation Indoor Soccer Board via the email addresses provided below.

If there is inclement weather please check the Freestate Sports Arena website @ www.freestatesports.com or the Emmorton Rec website @ www.emmortonrec.com for cancellation notices. Additionally, the schedule for all teams has been posted on the Emmorton Rec website.

Thank you for supporting our Indoor Soccer program.
