Article I: 
Little League (Major) Baseball

By-Laws: Major Baseball Approved:

SECTION A. Eligibility. Any candidate who is of League Age 9, 10, 11 or 12 and who has attended one tryout session shall be eligible to play in the Little League (Major) Baseball Division. Any candidate that is league age 9 must meet either of the following criteria and the candidate’s participation must be approved by a majority vote of the board:
   1. Candidate is the child of an incumbent or incoming Major’s division manager.
   2. Candidate has participated in the just prior CVLL Fall program Major division and has demonstrated the skills necessary to successfully participate at the Major division level, in the opinion of the other Major division managers and any board members that witnessed the candidate in game action.

SECTION B. Number of Teams and Roster Size. There will be six teams in the Little League (Major) Baseball Division and the size of the roster of each team shall be 12 players.

SECTION C. Player Retainment, Selection and Replacement.
1. Player Retainment. Each player acquired shall, for the duration of his or her Little League (Major) Baseball Division career, be the property of the team making the acquisition, unless subsequently released.
2. Release of Players (after July 15)
   a. Each manager must submit to the Player Agent, Baseball, any player(s) that will be unable to play in the upcoming season due to injury, illness or movement out of the area, by the first tryout. If approved, the team will lose all rights to this player in the future.
   b. Each manager must submit to the Player Agent, Baseball, any player(s) he wishes to release for any reasons not covered in ARTICLE I, SECTION C (2)(a) of the Crescenta Valley Little League By-Laws. A full explanation in writing must be submitted and approved by the Board of Directors prior to the first tryout. If approved, the team will lose all rights to this player in the future.

NOTE: Any released player may again tryout for Little League (Major) Baseball Division, provided he/she is eligible under Regulation III, Section (c) and all sections of Regulation IV of Little League Baseball, as well as ARTICLE I, SECTION A of the Crescenta Valley By-Laws. A player who tries out again is not guaranteed a spot in the Little League (Major) Baseball Division.

3. Player Selection. A “ladder” draft selection process will be used. Teams will select based upon the prior year’s order of finish as follows: the team finishing last in the overall standings will draft first, the team finishing next to last in the overall standings will draft second, and so on, with the prior year’s league champion (regardless of overall record) drafting last. The Player Agent, the President and/or the Division Director shall conduct the draft.

Bonus Picks: Each manager requiring eight or more players prior to the regular draft to complete the roster will be allowed one bonus pick at the completion of round four. If more than one manager is allowed bonus picks, the order of rotation will remain identical to that being followed in the draft.

NOTE(1): If two teams tied in the prior year’s order of finish, the order of the draft shall be determined by the teams’ head-to-head record against each other. The team with the worse head-to-head record will select before the other. If the two teams had the same head-to-head record, order of selection shall be determined by a coin flip.

NOTE(2): All eligible candidates who are league age twelve (12) must be drafted to a Major Division team. Exceptions can only be made with written approval from the District Administrator, and only if approved at the local league level by the Board of Directors and the parent of the candidate.

NOTE(3): At no time shall a team have on its roster more than eight players whose League Age is the same.

NOTE(4): Parents/Guardians may request that their son or daughter, otherwise eligible to be drafted to the Little League (Major) Baseball Division, remain in Minor League Baseball. However, that player will not be eligible to move up to the Little League (Major) Baseball Division anytime during the current season.
4. Selection Procedure. Managers may draft any eligible player until the number of available 12-year-old players is equal to the number of draft selections remaining (taking into account any options that may have been declared either before or during the draft and any teams that would be in violation of NOTE(3) above). At that time, managers may only select a 12-year-old, unless exercising a previously declared option.

5. Options of Sons, Daughters and Siblings. An option is an agreement between a manager and the Player Agent covering a special condition. All options must be declared to the Player Agent prior to the draft (except (a) below).

a. Brothers/Sisters in the Draft. When there are two or more siblings in the draft, and the first brother or sister is drafted by a manager, that manager automatically has an option to draft the other brother or sister on the next turn (and any other brother or sister in the immediate round or rounds after that). The manager must immediately declare the option(s). If the manager does not declare the option(s), the second sibling (or other siblings) is then available to be drafted by any team. NOTE: A manager who drafts a 12-year-old player with a brother or sister of League Age 10 or 11 still available in the draft may not declare an option on that sibling or draft that sibling if only 12-year-old players are available to be drafted.

b. Brothers/Sisters of Players Currently on a Team. If desired, a manager shall declare an option on a draftee if the player candidate’s brother or sister is a member of that manager’s team. If such an option is submitted, the manager MUST draft the sibling within the first three draft selections.

NOTE: Parents/guardians may request that siblings be placed on separate teams.

c. Sons/Daughters of Managers. If a manager has sons and/or daughters eligible under SECTION A for the draft, and wishes to draft them, he/she must declare an option to the Player Agent, before the draft. If so stated, the parent/manager is required to exercise the option at or before the close of the specific draft round, depending on the League Age of sons and/or daughters. Parent/manager option takes priority over any other option.

NOTE: There are no options on sons/daughters of Coaches.

d. Draft Rounds. If an option is declared for the son and/or daughter of a manager, such candidate must be drafted in or before the following round:

Draft Round League Age of Player
5 10/9
4 11
3 12

f. Trades. Managers may, if they desire, trade players for a period of 30 minutes immediately following the draft. All trades shall be made through the Player Agent, Baseball. The following restrictions also apply:

i. Trades may only involve players acquired during the just completed draft. Players who have been retained from the previous year may not be traded.

ii. All trades must be player for player only. (Example: Two players from Team A could not be traded for one player on Team B.)

g. Minor League Baseball Player Ratings. Eligible players not drafted into Little League (Major) Baseball will placed in the Minor League Baseball draft. At the conclusion of the Little League (Major) Baseball Division draft, the Player Agent, Baseball, shall establish a rating for each player not drafted into the Little League (Major) Baseball Division (also to include those of League Age 9 and those of League 10, 11 and 12 who declined to be part of the Little League (Major) Baseball draft) with input from the Little League (Major) Baseball Division managers. Players shall be rated from 5 to 1 (with 5 being most skilled and 1 being least skilled). The number of players per rating will be determined by the number of teams in the Minor League Baseball draft (i.e. if there are six teams, the number of players per rating shall be divisible by 6).

h. Late Player Registration. Any player of League Age 9, 10, 11 or 12 who signs up after the final tryout session, or who does not participate in at least one tryout session, may be assigned to a Minor League Baseball team at the discretion of the Player Agent, Baseball. Said player shall not be part of the available player list used by managers to select players from the Minor League in the case of Player Replacement/Addition (ARTICLE I, SECTION C (4) of the Crescenta Valley Little League By-Laws).
4. **Player Replacement/Addition.** During the season, the Player Agent, Baseball, must monitor teams to ensure rosters are at the proper level. Managers are required to inform the Player Agent, Baseball, if a player has been repeatedly absent.

   a. **Player Absence.** If a player misses seven consecutive games, for whatever reason, the manager, prior to the eighth game, must select a player from the available player list and place him/her on the roster.

   b. **Player Replacement/Addition.** If a player must be added to the roster as required by ARTICLE I, SECTION C (4), the manager shall review the available player list with the Player Agent, Baseball, and shall select a replacement. The replacement/addition becomes a permanent member of the team, regardless of whether the player who created the opening on the roster returns to the team or not.

   c. **Penalties.** Failure by the manager to advise the Player Agent, Baseball, of a player’s continued absence or to select a player from the available player list by the eighth consecutive game a player is absent shall result in disciplinary action against the manager, as follows:

      i. If the manager has not selected a player from the available player list by the eighth consecutive game of a player’s absence, the manager shall be suspended for one game.

      ii. If the manager has not selected a player from the available player list by the ninth consecutive game of a player’s absence, the manager shall be suspended for three games.

      iii. If the manager has not selected a player from the available player list by the tenth consecutive game of a player’s absence, the manager shall be suspended for the remainder of the season.

   **NOTE(1):** Managers will not be required to select a player from the available player list during the final two weeks of the regular season (unless they are already in violation of the provisions listed above).

   **NOTE(2):** If a player is not available to play because of illness or injury of a temporary nature, and the player receives medical treatment from a licensed physician, that player must supply written authorization to the Player Agent, Baseball, from the treating physician, that the player can resume participating with or without restrictions.

   **NOTE(3):** When a player is lost to a team during the playing season for any of the following reasons:

      (1) He/she moves to another city or state too distant to commute for practice and play;

      (2) He/she has for personal reasons decided to terminate his/her association with the team;

      (3) Any other justifiable reason, reviewed and approved by the Board of Directors.

The manager of the team losing a player shall promptly advise the Player Agent, Baseball. The Player Agent, Baseball, shall advise the President and the Board. If loss of player is approved, the Player Agent will send a letter of release to the player and the parents stating player is released from the Little League (Major) Baseball Division team and the league for a justifiable reason. This action creates an immediate, legal opening for a replacement on the team roster (i.e. the player must be replaced on the team’s roster immediately).

**SECTION D. Schedules**

1. Each team will play a regular schedule of 24 games.

2. Each team will be assigned either two or three games per week.

3. Games which may be postponed due to rain, the unavailability of fields or other reasons approved by the Board of Directors will be rescheduled by the President and the Vice President, Baseball. The rescheduling may constitute additional games to be played within the week for which it has been rescheduled.

**SECTION E. Practices**

1. Each team will be assigned two weekly practice times during the preseason.

2. Each team will be assigned practices during the regular season based on field availability. Such practices are subject to cancellation without notice should the fields be needed for make-up games.

3. Teams may schedule voluntary practices. Teams are responsible for securing their own voluntary practice times. Crescenta Valley Little League will not pay for voluntary practice times nor does it recommend that managers ask parents to help pay for field time unless the parents volunteer.

4. A player who does not attend 50% of a team’s scheduled games or practices may be subject to disciplinary action with the approval of the Board of Directors. No disciplinary action may be taken for nonattendance at voluntary practices.

**SECTION F. Umpires.** A minimum of two umpires will be assigned to each game.

**SECTION G. Determination of League Champion.**

1. The schedule shall be divided into two halves.
2. The team with the highest winning percentage in each half will be declared the winner of that half. If the same team wins the first and second half of the season, that team is the league champion. Otherwise, the winner of each half will play in a single championship game to determine the league champion. The league championship game and any tie breaker game(s) shall be six (6) innings with no time limit. For the league championship game, the team with the higher winning percentage for the entire season shall select home or visitor (if the same, a coin flip will be utilized).

**NOTE:** A distinct, clear-cut winner must be determined in playoff games for each half. If there is a tie of two or more teams in either half of the season, the following tie breaking criteria will be used:

- **First half of the season:** If two teams are tied, the highest winning percentage in head to head games played will determine the winner of the first half. If still tied, then a tie breaker game will be played, with a coin flip to determine home and visitor.
  - If three or more teams are tied, a tie breaker game will be played. The following tie breaking process will be used to determine the two teams for the game. If one tie breaker establishes a position for one or more teams, each team is placed in the appropriate position (1st, 2nd or out of the tie breaker game). Once a team(s) is placed in a finishing position, if necessary, the remaining tied teams shall start the tie breaking process over again at the first step. Only games between the involved teams will be used in the tie breaking process (throw out all games against teams not tied).
    - Highest winning percentage in games between all tied teams
    - Head to head record (only if two teams remain tied)
    - Most wins
    - Most recent win head to head (only if two teams remain tied)
    - Most consecutive games without a loss starting with the most recent game played
    - Coin flip
  - Once the two teams for the tie breaker game have been established, the team placed in the higher position (better seed) shall select home or visitor.

- **Second half of the season:** If two teams are tied, the highest winning percentage in head to head games played will determine the winner of the second half. If still tied, then a tie breaker game will be played, with a coin flip to determine home and visitor.
  - If three or more teams are tied, a single tie breaker game will be played. The following tie breaking process will be used to determine the two teams for the game. If the first half winner is part of a three team (or more) tie, they shall automatically be eliminated (excluded) from the tie breaking process and the remaining teams will follow the tie breaking process. If one tie breaker establishes a position for one or more teams, each team is placed in the appropriate position (1st, 2nd or out of the tie breaker game). Once a team(s) is placed in a finishing position, if necessary, the remaining tied teams shall start the tie breaking process over again at the first step. Only games between the involved teams will be used in the tie breaking process (throw out all games against teams not tied).
    - Highest winning percentage in games between all tied teams
    - Head to head record (only if two teams remain tied)
    - Most wins
    - Most recent win head to head (only if two teams remain tied)
    - Most consecutive games without a loss starting with the most recent game played
    - Coin flip
  - Once the two teams for the tie breaker game have been established, the team placed in the higher position (better seed) shall select home or visitor.

3. Place of order after League Champion (for purposes of Tournament Team manager selection, Tri-Cities Tournament of Champions selection and order of next season’s draft) will be determined by overall record.

**NOTE:** There must be a distinct, clear-cut second place team. In the event of a tie between two or more teams, the tie break formula used to determine the first half winner shall be used to determine a second place team.
SECTION H. Tournament Team. Crescenta Valley Little League will field three Tournament Teams for players of League Age 9-12 at the conclusion of the regular season. They will be the 11-12 Little League (Major) Baseball Division team for players of League Age 11 or 12 years old; the 10-11 team for players of League Age 10 or 11 years old; and the 9-10 team for players of League Age 9 or 10 years old.

1. Manager Selection. The 11-12, 10-11 and 9-10 Tournament Teams will be offered to the managers in the Little League (Major) Baseball Division in the order that their teams finished at the end of the season (ARTICLE I, SECTION G (3)) of the Crescenta Valley Little League By-Laws). If all managers decline one or more of the teams, the remaining team(s) will be offered to the coaches (excluding provisional coaches) in the Little League (Major) Baseball Division in the order that their teams finished at the end of the season.

2. Coach Selection. The manager of the 11-12 Tournament Team may select two (2) coaches of his or her choice from the ranks of other current Crescenta Valley Little League managers and coaches within the Little League (Major) Baseball Division. The managers of the 10-11 and 9-10 Tournament Teams may select two (2) coaches of their choice from the ranks of other current Crescenta Valley Little League managers and coaches within the Little League (Major) Baseball and Minor Baseball divisions.

3. Player Selection. At the conclusion of the regular season, the Little League (Major) Baseball Division managers, the Player Agent, Baseball, the Division Director, the Vice President, Baseball and the President shall meet to select the 11-12, 10-11 and 9-10 Tournament Teams. Thirteen (13) players shall be selected and the team may at no time consist of more than thirteen (13) players.

NOTE(1): Prior to the meeting, the President shall poll all Little League (Major) Baseball Division players, tally all votes and this will constitute the President’s vote. Players may only vote for players on the team for which they are eligible. Players of League Age 11 and League Age 10 will vote twice. Players of League Age 11 will vote once for the 11-12 Tournament Team and once for the 10-11 Tournament Team; Players of League Age 10 will vote once for the 10-11 Tournament Team and once for the 9-10 Tournament Team

NOTE(2): In the event of a tie between one or more players, the President shall break the tie.

a. The Vice President of Baseball shall arrange for the distribution of statistics on all eligible players for each team, including those players from the Minor League selected by the Minor League managers for consideration.

b. Each member listed in ARTICLE I, SECTION H and present at the meeting shall have one vote.

c. A player must receive 70% of the votes of the members present to be placed on the team for which he/she is eligible. Additional rounds of balloting may be necessary with only those players receiving votes in the previous round remaining on the ballot.

d. After five (5) ballots, the President shall be released from the Player Vote and may vote for any player(s) still remaining on the ballot.

NOTE(3): The 11-12 Tournament Team takes precedence over the 10-11 Tournament Team and will be selected first.

NOTE(4): Players may play on one team only; i.e. an 11-year-old player selected to play on the 11-12 Tournament Team may play on that team only.

SECTION I. Post-League Play and Special Games. The League will participate in the Tri-Cities Tournament of Champions. A post-season tournament involving all teams not participating in the Tri-Cities Tournament of Champions may be scheduled with the approval of the Board of Directors.

SECTION J. Local League Rules

1. There will be no infield practice before games.

2. Before all games, players from both teams shall line up on the field along the base line in front of their dugout. One player from the home team shall recite the Pledge of Allegiance and one player from the visiting team shall recite the Little League Pledge.

3. Teams are permitted one provisional coach, provided that coach has been appointed by the President and approved by the Board of Directors. A provisional coach cannot replace a manager or coach who has been ejected or suspended.

4. Only approved League volunteers are allowed on the field during games or practices.

5. Teams are limited to a specific number of “events” per week. See Appendix A.

6. Each team shall designate two volunteers who shall undergo umpire training and be available to umpire Minor League Baseball games as assigned.

Any rule not addressed by this document or addressed by Little League Rules and Regulations shall be voted on by the Board of Directors. Any interpretation of these rules shall be voted on by the Board of Directors with the District Administrator’s approval.

ARTICLE XI. AMENDMENTS
These By-Laws may be amended, repealed or altered in whole or in part by a majority vote at any duly organized meeting of the Board of Directors provided such meeting occurs at least one month before the first regularly scheduled game, in accordance with Article X, Section C of the Crescenta Valley Little League Constitution.
Article II:
Minor League Baseball

By-Laws: Minor Baseball Approved:

SECTION A. Eligibility. Any candidate who is of League Age 8, 9, 10 or 11 and who has registered for Crescenta Valley Little League shall be eligible to play Minor League Baseball. NOTE: All eligible candidates who are league age twelve (12) must be drafted to a Major Division team. Exceptions can only be made with written approval from the District Administrator, and only if approved at the local league level by the Board of Directors and the parent of the candidate.

SECTION B. Number of Teams and Roster Size. The number of Minor League Baseball teams shall be determined before the draft. The size of the roster of each Minor League Baseball team shall be determined before the draft. In no case shall rosters be less than 11 or more than 15.

SECTION C. Player Selection and Player Movement.
1. Ratings. The Player Agent, Baseball, will establish a rating for each player. He or she may refer to the Little League (Major) Baseball Division (Article I, Section C (3(g)) and Minor League Division managers for assistance.

NOTE: Players who do not participate in a Skills Evaluation Session will be assigned a rating based on prior knowledge of the participant by the Player Agent, Baseball. Those players will then be eligible for the draft. If the Player Agent, Baseball is unable to rate said players, they will be placed on teams at the discretion of the Player Agent, Baseball. An exception to this is Manager’s and Coach’s sons and/or daughters: they must be drafted with a team’s first pick of the draft.

2. Player Selection. A "serpentine" (reverse) draft selection process will be used. The draft order will be established by the drawing of numbers. The manager drawing number one shall pick first in odd numbered rounds and last in even-numbered rounds; the manager drawing number two shall pick second in odd-numbered rounds and next-to-last in even-numbered rounds, etc. The Player Agent, Baseball, the President, and the Division Director shall conduct the draft.

3. Draft Process. The draft will begin with the selection of only those players with a rating of 5. Once every 5 has been selected, the team due the next choice will draft from only those players with a rating of 4. Players with a rating of 3 will be chosen only after all the players with a rating of 4 have been selected. Players with a rating of 2 will be chosen only after all the players with a rating of 3 have been selected. Players with a rating of 1 will be chosen only after all the players with a rating of 2 have been selected.

NOTE(1): The Player Agent, at his/her discretion, may combine all players with ratings of 2 or 1.

NOTE(2): A manager may choose a player from a lower rating than is currently being selected one time during the draft.

a. Brothers/Sisters in the Draft. When there are two or more siblings in the draft and the first brother or sister is drafted by a manager, that manager must select the other brother(s) or sister(s) with his or her first pick at that player’s rating. (For example, if a manager drafts one brother who is a 5 and the other brother is a 3, the manager must draft the other brother with his first pick when players with ratings of 3 are being selected.)

b. Sons/Daughters of Managers and Coaches. If a manager and coach have sons and/or daughters eligible under Section A for the draft and wish to draft them, the manager must declare these options to the Player Agent, Baseball, before the draft. If so stated, the parent/manager is required to draft the sons or daughters with his first pick at that player’s rating. (For example, if the ratings of the sons of the manager and the coach are 4 and 5, the son with the 5 rating must be the manager’s first selection in the draft and the son with the 4 rating must be the manager’s first pick when players with ratings of 4 are being selected.)

NOTE: Each manager may be allowed one coach before the draft, provided that coach has been appointed by the President and approved by the Board of Directors.

c. Trades. Managers may, if they desire, trade players for a period of 30 minutes immediately following the draft. All trades shall be made through the Player Agent, Baseball.
The following restrictions also apply:
i. Trades may only involve players of the same rating with the exception of players with a rating of 1 or 2.
ii. All trades must be player for player only.
(Example: Two players from Team A could not be traded for one player on Team B.)

**d. Late Player Registration.** Any player of League Age 8, 9, 10, 11 or 12 who signs up after the draft may be assigned to a Minor League Baseball team at the discretion of the Player Agent, Baseball.

**3. Player Movement.** During the season, the Player Agent, Baseball, must monitor teams to ensure rosters are balanced. If a manager loses any player on the roster during the current season for illness, injury, change of address, promotion to the Little League (Major) Baseball Division or other justifiable reasons (subject to Board approval), another player could be transferred within the Division, through the Player Agent, Baseball, to replace the one lost, or a player may be obtained, through the Player Agent, Baseball, from a list of children who registered after teams were formed.

**NOTE(1):** No new players will be added to the Division after one-half the season has been played.

**NOTE(2):** If a player is not available to play because of illness or injury of a temporary nature and the player receives medical treatment from a licensed physician, that player must supply written authorization to the Player Agent, Baseball, from the treating physician that the player can resume participating with or without restrictions.

**NOTE(3):** Minor League Baseball players may be reassigned at the discretion of the Board of Directors and the Player Agent, Baseball, in order to provide a balanced training program.

**SECTION D. Schedules**
1. Each team will play a regular schedule of a minimum of 14 games.
2. Games which may be postponed due to rain, the unavailability of fields or other reasons approved by the Board of Directors will be rescheduled by the President and the Vice President, Baseball, if possible. **SECTION E. Practices**
1. Each team will be assigned two weekly practice times during the preseason.
2. Each team will be assigned practices during the regular season based on field availability. Such practices are subject to cancellation without notice should the fields be needed for make-up games.
3. Teams may schedule voluntary practices. Teams are responsible for securing their own voluntary practice times. Crescenta Valley Little League will not pay for voluntary practice times nor does it recommend that managers ask parents to help pay for field time unless the parents volunteer.
4. A player who does not attend 50% of a team's scheduled games or practices may be subject to disciplinary action with the approval of the Board of Directors. No disciplinary action may be taken for nonattendance at voluntary practices.

**SECTION F. Umpires.** See Appendix C.

**SECTION G. Determination of League Champion.**
1. The League Champion shall be determined by a championship game between the top two teams in the Minors division based on best record, by winning percentage, at the end of the regular season. In the case where the division is split into sub-divisions, the winners of each subdivision will play for the championship in a single game. The team with the best overall record will have the option to choose home or visitor. In the case of a tie, head-to-head records and then the most recent win in head to head competition will determine the team with the option on home team.

**NOTE:** If two or more teams are tied, a playoff will be used to determine the champion. If one playoff game is necessary to determine a winner, home and visitor shall be determined by a coin flip. If more than one game is necessary, the teams will be seeded according to their aggregate record against all teams involved in the playoff. Ties will be broken by a coin flip. Home and visitor shall be determined by a coin flip.
2. Place of order after League Champion (for purposes of the District 16 Minor League Baseball Knock-Out Tournament) will be determined by overall record.    a. Each member listed in Article III, Section H (3) and present at the meeting shall have one vote.
   b. A player must receive 70% of the votes of the members present to be placed on the team for which he/she is eligible. Additional rounds of balloting may be necessary with only those players receiving votes in the previous round remaining on the ballot.

If a manager’s child is an All-Star, he or she is automatically placed on his or her parent’s team. There are no options on coaches’ sons or daughters. **RULES NOT ADDRESSED**

Any rule not addressed by this document or addressed by Little League Rules and Regulations shall be voted on by the Board of Directors. Any interpretation of these rules shall be voted on by the Board of Directors with the District Administrator’s approval.

**AMENDMENTS**

These By-Laws may be amended, repealed or altered in whole or in part by a majority vote at any duly organized meeting of the Board of Directors provided such meeting occurs at least one month before the first regularly scheduled game, in accordance with Article X, Section C of the Crescenta Valley Little League Constitution.
Article III:
Tee Ball Baseball

By-Laws: Tee Ball Baseball Approved:

SECTION A. Eligibility. Any candidate who is of League Age 6 or 7 and who has registered for Crescenta Valley Little League shall be eligible to play Tee Ball Baseball.

SECTION B. Number of Teams and Roster Size. The number of Tee Ball Baseball teams shall be determined before the draft. The size of the roster of each Tee Ball Baseball team shall be determined before the draft. In no case shall rosters be less than 10 or more than 15.

SECTION C. Player Selection and Player Movement.
1. Ratings. The Player Agent, Baseball, will establish a rating for each player with input from the Tee Ball Baseball Managers. Players shall be rated from 5 to 1 (with 5 being most skilled and 1 being least skilled).

NOTE: Players who do not participate in a Skills Evaluation Session will be assigned a rating based on prior knowledge of the participant by the Player Agent, Baseball. Those players will then be eligible for the draft. If the Player Agent, Baseball is unable to rate said players, they will be placed on teams at the discretion of the Player Agent, Baseball. An exception to this is Manager’s and Coach’s sons and/or daughters: they must be drafted with a team’s first pick of the draft.

2. Player Selection. A "serpentine" (reverse) draft selection process will be used. The draft order will be established by the drawing of numbers. The manager drawing number one shall pick first in odd numbered rounds and last in even-numbered rounds; the manager drawing number two shall pick second in odd-numbered rounds and next-to-last in even-numbered rounds, etc. The Player Agent, Baseball, the President and the Division Director, shall conduct the draft.

3. Draft Process. The draft will begin with the selection of only those players with a rating of 5. Once every 5 has been selected, the team due the next choice will draft from only those players with a rating of 4. Players with a rating of 3 will be chosen only after all the players with a rating of 4 have been selected. Players with a rating of 2 will be chosen only after all the players with a rating of 3 have been selected. Players with a rating of 1 will be chosen only after all the players with a rating of 2 have been selected.

NOTE(1): The Player Agent, at his/her discretion, may combine all players with ratings of 2 or 1.

NOTE(2): A manager may choose a player from a lower rating than is currently being selected one time during the draft.

a. Brothers/Sisters in the Draft. When there are two or more siblings in the draft, and the first brother or sister is drafted by a manager, that manager must select the other brother(s) or sister(s) with his or her first pick at that player’s rating. (For example, if a manager drafts one brother who is a 5 and the other brother is a 3, the manager must draft the other brother with his first pick when players with ratings of 3 are being selected.)

b. Sons/Daughters of Managers and Coaches. If a manager and coach have sons and/or daughters eligible under Section A for the draft, and wish to draft them, the manager must declare these options to the Player Agent, Baseball, before the draft. If so stated, the parent/manager is required to draft the sons or daughters with his first pick at that player’s rating. (For example, if the ratings of the sons of the manager and the coach are 4 and 5, the son with the 5 rating must be the manager’s first selection in the draft and the son with the 4 rating must be the manager’s first pick when players with ratings of 4 are being selected.)

NOTE: Each manager may be allowed one coach before the draft, provided that coach has been appointed by the President.

c. Trades. Managers may, if they desire, trade players for a period of 30 minutes immediately following the draft. All trades shall be made through the Player Agent, Baseball.
The following restrictions also apply:
i. Trades may only involve players of the same rating with the exception of players with a rating of 1 or 2.
ii. All trades must be player for player only.
(Example: Two players from Team A could not be traded for one player on Team B.)
d. Late Player Registration. Any qualifying player (see Section A) who signs up after the draft may be assigned to a Tee Ball Baseball team at the discretion of the Player Agent, Baseball.

4. Player Movement. During the season, the Player Agent, Baseball, must monitor teams to ensure rosters are balanced. If a manager loses any player on the roster during the current season for illness, injury, change of address or other justifiable reasons (subject to Board approval), another player could be transferred within the Division, through the Player Agent, Baseball, to replace the one lost, or a player may be obtained, through the Player Agent, Baseball, from a list of children who registered after teams were formed.

NOTE(1): No new players will be added to the Division after one-half the season has been played.
NOTE(2): If a player is not available to play because of illness or injury of a temporary nature, and the player receives medical treatment from a licensed physician, that player must supply written authorization to the Player Agent, Baseball, from the treating physician that the player can resume participating with or without restrictions.
NOTE(3): Tee Ball Baseball players may be reassigned at the discretion of the Board of Directors and the Player Agent, Baseball, in order to provide a balanced training program.

SECTION D. Schedules
1. Each team will play a regular schedule of a minimum of 10 games.
2. Each team will be assigned one or two games per week, unless the number of teams in the league dictates that at least one team will have a bye each week.
3. Games which may be postponed due to rain, the unavailability of fields or other reasons approved by the Board of Directors will be rescheduled by the President and the Vice President, Baseball, if possible. The rescheduling may constitute additional games to be played within the week for which it has been rescheduled.

SECTION E. Practices
1. Each team will be assigned two weekly practice times during the preseason and one practice during the regular season.
2. Teams may schedule voluntary practices. Teams are responsible for securing their own voluntary practice times. Crescenta Valley Little League will not pay for voluntary practice times nor does it recommend that managers ask parents to help pay for field time unless the parents volunteer.
3. A player who does not attend 50% of a team’s scheduled games or practices may be subject to disciplinary action with the approval of the Board of Directors. No disciplinary action may be taken for nonattendance of voluntary practices.

SECTION F. Umpires. A minimum of two umpires will be assigned to each game by the Director, Tee Ball Baseball. The umpires shall consist of volunteers.

SECTION G. Determination of League Champion.
1. The League Champion shall be determined by a championship game between the top two teams in the Tee Ball division based on best record, by winning percentage, at the end of the regular season. In the case where the division is split into sub-divisions, the winners of each subdivision will play for the championship in a single game. The team with the best overall record will have the option to choose home or visitor. In the case of a tie, head-to-head records and then the most recent win in head to head competition will determine the team with the option on home team.

NOTE: If two or more teams are tied, a playoff will be used to determine the champion. If one playoff game is necessary to determine a winner, home and visitor shall be determined by a coin flip. If more than one game is necessary, the teams will be seeded according to their aggregate record against all teams involved in the playoff. Ties will be broken by a coin flip. Home and visitor shall be determined by a coin flip.

SECTION H. All-Star Games. At the conclusion of the regular and playoff seasons, Crescenta Valley Little League will select two Tee Ball Baseball All-Star teams. The teams will play each other in a one-game exhibition.

2. Coach Selection. The manager of each All-Star team may select two (2) coaches of his or her choice from the ranks of other current Crescenta Valley Little League managers and coaches within the Tee Ball Baseball division.

3. Player Selection. At the conclusion of the regular season, the Tee Ball Baseball managers, the President, the Vice President, Baseball, and/or the Division Director will meet to select 30 players to play on the two All-Star teams.
   a. Each member listed in Section H(3) and present at the meeting shall have one vote, if they so choose.
   b. A player must receive 70% of the votes of the members present to be placed on the team for which he/she is eligible. Additional rounds of balloting may be necessary with only those players receiving votes in the previous round remaining on the ballot.

2. Team Selection. The teams shall be chosen by the two All-Star managers by a “serpentine” (reverse) draft order with order determined by a coin flip. If a manager’s child is an All-Star, he or she is automatically placed on his or her parent’s team. There are no options on coaches’ sons or daughters. The player’s regular season team should not be considered when drafting All Stars. In other words, two players from the same regular season team may be on two different All-Star teams.

3. All-Star Rules.
   a. The players selected for All Stars will wear their regular season uniforms for All-Star play. The League will provide one All-Star team with blue CVLL All-Star caps and the other with gold or red CVLL All-Star caps.
   b. Home and visiting teams shall be determined by a coin flip.

SECTION C. Player Selection. Players will be placed on teams by the Division Director, with the assistance of the Training League managers, based on the following criteria:
1. Age.

SECTION E. Practices
1. Each team will be assigned two weekly practice times during the preseason and one practice during the regular season.

2. **Player Movement.** During the season, the Player Agent, Baseball, must monitor teams to ensure rosters are balanced. If a manager loses any player on the roster during the current season for illness, injury, change of address or other justifiable reasons (subject to Board approval), another player could be transferred within the Division, through the Player Agent, Baseball, to replace the one lost, or a player may be obtained, through the Player Agent, Baseball, from a list of children who registered after teams were formed.
NOTE(1): No new players will be added to the Division after one-half the season has been played.
