

**Are you looking for a way to be a part of “America’s favorite past time”?**

**Wondering if there are any special leagues in your area designed for kids with special needs?**

**We are happy to say that YES there is! In the spring of 2014, Little League’s CA District 10 launched its first ever Challenger division. It was an amazing time had by all involved.**

**We would like to extend an invitation to YOU for the 2016 Little League season, which is just around the corner.**

**Come experience the great sport of baseball in a program specifically designed to fully engage all kids with special needs ages 4 to 22 (if still attending high school).**

**We have trained coaches and special buddies ready to help any player, and a District board that will help you every step of the way.**
