Players’ Code of Conduct

I will read the following so that I understand the rules of the league which will help keep the game enjoyable and rewarding for all who participate.

- I will play the game for fun.
- I will come to practice and games prepared and on time to put forth my best effort.
- I will work with my coaches and parents to develop my skills, and participate as a Team Player.
- I will learn the rules and play by them, and be a good sport regardless of whether the call goes against me, or not.
- I will never argue, dispute, yell at, or show any disrespect toward my coaches, teammates, umpires, opponents, or parents.
- At practices and games I will not be involved in horseplay.
- As a player, during my games, I will stay at the field while the game is going on, and keep my attention focused on the game. For example, if I need to leave the field for a trip to the bathroom I will ask my coach first.
- While watching my game being played, I will cheer for the players of both teams, but not distract them during the game or chant between pitches so that they may stay focused on the game.
- The playing fields are there for many people to enjoy and require much care. I will therefore not dig holes, throw stones, leave trash, or do anything else that would harm the fields or the surrounding properties.
- The equipment we use is shared by many and will hopefully last a long time. I will take care of the equipment by not intentionally damaging it, throwing it, kicking it, or using it for purposes not related to the game of baseball or softball.
- Before and after games I will ask the coach if he/she needs any help with the equipment and assist with cleaning up the dugouts and field.

I understand that if I choose not to conduct myself in accordance with the Player’s Code of Conduct, that my Coach and/or League Officials may take the following corrective actions:

1) Coach will talk to me about what I did wrong and how I should behave.
2) If I continue to misbehave the Coach or League Officials will discuss my behavior with my parents/guardians and may suspend me for one game or practice.
3) If after suspension I continue to misbehave, League Officials may remove me from the league.
