

2019 Sponsorship

Dear Sponsor,

If you have donated in the past we generously Thank You for your tax deductible donation! Our teams are funded through sponsorship donations, participation and fund raising activities.

Without the sponsorship dollars received we could not keep our teams with the proper equipment, uniforms, insurance, league fees, umpire fees and field necessities. It is significantly due to you the sponsors and all of our volunteers that the children in our community have the ability to play organized baseball.

We are a very small community compared to most of the teams we compete against and we continue to hold our own each year against the much larger school districts. In the Spring of 2018 we had our 14U team make it to the playoffs, our 12U team made it to the playoffs and our 10U team finished the season 12-4. These accomplishments are in a large way thanks to your donations. Please continue to help our teams succeed and feed the High School program by donating to our league.

Without your help and support we would not be able to continue PVYB for the kids. We encourage you to visit opening day and our Delarso Community Benefit to take pride and see the enjoyment you bring to our community through your donations!
