**Picture Day Success Tips:**

1. Opt in to the online gallery by texting the code **WILSON** to the number **90738**.
2. Decide on **AdvancePay Credit of \$35**. This is completely optional but it does apply towards your future order. The incentive is that you get **FREE Shipping!**
3. Wear entire uniform. Secure hair. No slides.
4. Decide ahead of time if you want to use your own ball. Have it ready!
5. Please be respectful of your time. To keep the crowds to a minimum, please have your entire team ready at your picture time.
6. Coaches - if everyone is on time, we'll take the team shot first and the shoot individuals. If we are waiting on an individual, we'll start photographing those images first.
7. We do have the schedule set to get pictures before game time. Even if entire team is not present, we will start your 10 minute time block with the athletes in attendance.
