

## Receiving Team Emails and Coach Discussions

If you are not receiving team updates, it may be that your email settings need to be updated.

- 1.) Log into your account on KanelandSC.com
- 2.) Go to your “My Account” page
- 3.) In “My Account” at the top right, click on the “Settings” button (looks like a gear)

- 4.) In the “Account Settings” page, about ½ way down is “Account Information”
- 5.) Set the “Please send me team notification emails” to “Yes”

- 6.) At the bottom of the page, click on “Update”
