

January 2020

Dear Icedog Families:

Our youth hockey program is currently in its 18th year and we are proud to say our program is growing. Currently we have over 200 kids in the program from Mites to Midgets ages 7-18. We are known for being an organization with a big heart. On **Tuesday, March 10th, 2020** we will be hosting our annual end-of-year dinner at **Biaggio's in Paramus, NJ**. The dinner itself is not a fundraiser, but we hold a Tricky Tray raffle during the dinner which helps raise some of the funds necessary to keep the ICEDOGS strong.

In past years the generosity of our ICEDOG families has been inspiring to say the least, and we need your help once again to make this year's event even better. At this time, we are seeking your assistance with donations to our Tricky Tray and we can offer each family two ways to support this event.

Option 1: Donate a themed basket or items for a basket (gift cards or specific items/services) valued at \$50 or more. *Basket/item donations are due no later than Friday, February 28th.*

Option 2: Donate \$50 and we'll do the rest!

Please mail your check (made payable to NJ Icedogs) to Lisa MacClements by Friday, February 21st.

Each family that donates will be included in our event program and 100% of the proceeds from the raffle go directly to supporting the needs of our hockey program. We can provide pick-up for any donation by simply contacting one of our event coordinators listed below or items can be dropped off at Cheryl Duran's home (see address below).

The ICEDOGS organization sincerely appreciates your support and with your help we can continue to provide boys and girls with the opportunity to stay fit and enjoy the sport of hockey.

Respectfully,

Joe Riina - Board President, NJ Icedogs
