

Dear Business Owner,

PacWest Little League has been supporting boys and girls ages 4-16 from a diverse set of backgrounds in Burien, SeaTac, Tukwilla and surrounding areas since 1956 when we were known as Highline East Little League. Over the year thousands of children and their families have spent countless hours at the Pacwest Little League Field Complex in Seatac. As a member of the community, there is a good chance you've rooted for a child from the stands or may have been one of those enthusiastic athletes on the field.

Children's sports programs provide a variety of benefits other than physical activity. Participation in sports can help build self-esteem and confidence, can motivate children to excel academically and can help build social skills. PacWest Little League gives children a sense of higher purpose; imparting the values of teamwork, sportsmanship, and fair play, so that they may someday use these values in becoming good citizens. I think everyone will agree that supporting local sports programs will benefit our community for years to come.

Community partnerships are a key to our success. We provide more scholarships than any other league in the area, have the largest dedicated facility in the region (4 fields) and we accomplish this all with volunteers and key sponsors.

We are reaching out to you today to ask you to consider sponsoring PacWest Little League. After years of planning we are finally on the cusp of being able to rebuild our 45 year-old building. The buildings have served us well but it is time to upgrade to ensure the complex is still going strong for future generations. To be able to improve this community-space and continue to offer scholarships we need your support.

Your sponsorship will advertise to the families in our area that you care about our community and support the future of our children. Please see the outline below of tax-deductible sponsorship opportunities. To confirm your sponsorship, please contact Diane Waldrop at (707) 363-5136 or PacWestSponsorship@gmail.com.

With sincere gratitude,

Diane Waldrop and the PacWest Board of Directors
