

Clarendon Hills Cardinals

Player Expectations

Cardinals Mission:

The Cardinals are a non-profit, full-time, travel organization dedicated to the development of advanced players from Clarendon Hills and the surrounding communities. The Cardinals are unique in that we use dedicated, objective, and professionally trained baseball instructors to lead the development of players at all age levels. We do so in a manner which attempts to provide professional training and a quality competitive experience, in a fun, developmentally sound, program. The development program lead by our team of professional instructors will allow our players to play at a competitive level against other area travel teams and ultimately build a team with the skills and work ethic which will be necessary to play in high school, if desired...
