*Equipment BRLI provides: helmets, bats, catcher's gear, baseballs, shirts & hats. For Minors/Majors levels - baseball pants, cleats, protective gear ("cups") are required. Due to COVID-19, BRLI recommends all players have their OWN equipment - helmets, bats, etc but will do our best to provide that equipment to those who don't have it.

The success of our organization depends on the participation and help of all. Please select at least one volunteer activity if you can!

Browns River Little League Mission Statement

The primary mission of the Browns River Little League (BRLI) is to provide baseball activities to the youth of Underhill and Jericho, ages 4-12 in a safe, enjoyable and organized manner. It is also our goal to contribute positively to our community in all other ways that directly serve their best interest.

CODE OF CONDUCT

The Board of Directors of Browns River Little League encourages all adult volunteers associated with any youth baseball league to practice the following guidelines in teaching our youth the game of baseball.

The league will be guided by teaching the principles of respect in each and every action related to the operation of the league, through the following guidelines:

- All participants will be expected to treat every umpire, coach, teammate and opponent with respect.
- No one will question the call or judgment of any umpire.
- No coach will argue or voice disagreement with the call or judgment of any umpire.
- All coaches will conduct themselves in a manner appropriate for the age group of the team they coach.
- All participants will respect the equipment provided for participation. Therefore, the throwing of bats and helmets will not be tolerated.
- No profanity will be tolerated.
- No alcohol or drugs will be allowed in the parks. Persons appearing under the influence of alcohol or drugs will be asked to leave.
- During game time, all players must remain in the dugout in an orderly fashion.
- After each game, each team must clean up trash in the dugout and field.

Note: Failure to comply with the above guidelines may result in expulsion from the park or complex.

2021 COVID-19 GUIDELINES

- By registering for BRLL, ALL players, coaches, volunteers, families, and spectators MUST abide by all guidelines/rules set forth by BRLL, the state of Vermont, MMUSD, JES & UCS, and Little League USA in order to have a safe season.
- BRLL will have a ZERO TOLERANCE policy with failure to adhere to guidelines. Players/families may be asked to leave BRLL for the season and fees will NOT be refunded.
- BRLL will update rules and guidelines as they are updated by state/schools/Little League and all parties must adhere to changes.

COACHING GUIDELINES

- To be on time for all practices and games.
- To be as fair as possible in giving playing time to all players.
- To teach the fundamentals of the game.
- To be positive and respect each child as an individual.
- To set reasonable expectations for each child and for the season.
- To teach the players the value of winning and losing.
- To be open to ideas, suggestions or help.
- To never yell at any member of the team, the opposing team or umpires. Any confrontation will be handled in a respectful, quiet and individual manner.

PLAYER GUIDELINES

- To be on time for all practices and games.
- To always do their best whether in the field or on the bench.
- To be cooperative at all times and share team duties.
- To respect not only others, but themselves as well.
- To be positive with teammates at all times.
- To try not to become upset at their own mistakes or those of others ... we will all make our share this year and we must support one another.
- To understand that winning is only important if you can accept losing, as both are important parts of any sport.

PARENT GUIDELINES

- To come out and enjoy the game. Cheer to make all players feel important.
- To allow the coaches to run the team.
- To try not to question the leadership of the coach. All players will make mistakes and so will the coaches.
- Do not yell at the players, the umpires or coaches. Everyone is responsible for setting examples for the children. The adults must be the role models in society today. If negative comments are eliminated, the children will have an opportunity to play without any unnecessary pressures and will learn the value of sportsmanship.
- If parents wish to question the coach's strategies or leadership, please do not do so in front of the players or fans. Phone numbers are available for parents to call at any time if there are concerns.

Finally, don't expect the majority of children playing Little League baseball to have strong skills. We hear all our lives that we learn from our mistakes. Let's allow them to make their mistakes, but always be there with positive support to lift their spirits.
