"It's All For The Kids!"

2016 Sponsorship Opportunities

Dear Sponsor,

The children of our league need your help this year more than ever!

Middle Country Youth Association offers quality in-house and travel baseball programs for children ages 4-13 in the local Middle Country School District area. Our managers and coaches are working hard on the field to teach our children the fundamentals, practice good sportsmanship, make great friendships and share in some unforgettable experiences along the way.

Baseball is a sport of strategy, patience and skill. It is also a team sport and it is in that spirit that we are asking for your help. We can't succeed on our own without the support of others. Teammates, coaches, trainers, family and supporters pulling together is what makes us who we are on and off the field.

Delivering the highest quality experience for our children requires substantial community and corporate funding to offset the costs of uniforms, equipment, field maintenance, insurance, postage, printing, trophies and even field restroom facilities. We are only able to deliver our program through the kind generosity of corporate and private sponsors such as yourself. We are a 501 (C) (3) organization, so your donation is tax deductible.

As a sponsor, you can enjoy season long visual recognition with our children and their families through a variety of placements including uniforms, signage at opening and closing ceremonies, banners carried by our teams during the Memorial Day Parade, table access to promote your business at MCYA events, direct link on our website and more.

The bottom line is **WE NEED YOUR HELP!** On the back of this form you can find our sponsorship programs and application. If you have any questions or are interested in building a custom sponsorship program, please email or call any of the individuals below.
