

March 12, 2020

Dear Team Chicago Community,

Due to growing concerns about the Coronavirus and COVID19 and given recent action taken by the US Soccer Federation, US Youth Soccer, heightened travel concerns and with the health of our players, families, staff and coaches in mind, all Team Chicago activities are **SUSPENDED immediately through April 5, 2020. This includes all practices, games, and skills camp.**

We have not taken this decision lightly, but given the ongoing and rapid spread of the virus throughout the Midwest and across the United States we feel it important that we do everything possible to protect the health and safety of our players, families, coaches and staff.

We will continue to monitor the situation and will communicate updates as soon as we have them. I urge you all to continue to follow the Center for Disease Control guidelines and stay safe and healthy.

I look forward to being back on the field with all of our teams as soon as possible.

Sincerely,

Dave Lovercheck
Technical Director
Team Chicago
