#### Recommendations:

It was a pleasure having Francesca on my roster as she is the kind of player every coach is looking for. She lead our season stats in Average, Slugging, Home Runs, and Triples. It is nice to have that combination of a power swing and speed on the bases. Her work ethic in practice, perfecting her game showed from day one.

#### Recommendations:

As a coach of Francesca Lang (Frankie) for several years as a travel coach, I couldn't say enough good things about her. She possesses a rare combination of speed, strength, power and commitment to make her an asset on any team. Frankie has a fearlessness and determination, combined with her strength, not possessed by many girls. Frankie has always lead by example, she loves to practice, she is usually the first to arrive, gives the coaches help with equipment when needed, and pulls through in the clutch situations during games. Off the field she is a kind hearted giving person. I have truly enjoyed the privilege of coaching Frankie, and will miss watching the missiles that explode from her bat.
