Recommendations:

Hall of Fame coach Margie Wright – "Kaili Chval is a coach's dream player and I would recommend her to your program. She is a tremendously talented young softball athlete and a fantastic person with a great work ethic. She has an outstanding savvy and understanding of softball, something that is difficult to find these days, and had athletic ability that is second to none. She is a triple threat offensively and makes things happen for her team with her aggressiveness and base running expertise. She can play anywhere defensively and has great fundamentals. She is smart and very much a team player and will be a huge asset to your team."
