A.) DIRECTIONS

To register for tryouts, visit www.hamburgsoccerclub.com, and either log in or create an account in the upper right-hand corner of the homepage. You will then register your child for their correct age group under “2021 Travel Soccer Tryouts (for 2021/2022 season)”. All players must register on our website 48 hours before their age group’s first tryout. If your child can only attend the second tryout date listed, you should still register 48 hours before the first tryout. Tryout registration is free.

The tryout schedule is below. All tryouts will take place at the Nike Base fields (2800 Lakeview Road, Lake View NY). All players should register online. Once players arrive at the Nike base, they should go directly to their scheduled field to check in with the coach at least 15 minutes before the tryout start time. That is where players will receive their tryout registration number. They should keep this number for the next tryout as well.

Age groups are based on the year in which players are born. Several tryouts are scheduled for each age group (aside from U19 Boys). Players should attend at least one of the tryouts but are encouraged to attend both. All players **MUST** tryout with their correct age group. Next to the age groups below are the birth years that players must be to try out for that team. After tryouts are completed, we will consider fielding single year teams (ex. U11 or U13) if numbers allow/on a team-by-team basis.

D.) FREQUENTLY ASKED QUESTIONS

1. What should I bring to tryouts?

Please wear shin guards and cleats and bring a soccer ball and water. Remember that all players should register online at least 48 hours before your age group's first tryout date. If you have registered online, please report to your scheduled field upon arrival to the Nike Base to check in with the coach and get your tryout registration number.

2. What if I can't make either tryout date?

Please contact the coach(es) listed next to the age group you wish to try out for to let them know if you are unable to make either tryout date. If you are able to make at least one or both tryouts, you do not need to contact the coach. Not attending tryouts does not automatically mean you will be disqualified from making the team, however preference may be given to those who did attend tryouts. This will be decided by the coach on a case-by-case basis.

3. How will I know if I made the team?

After all tryouts are completed, coaches may take some time in choosing their teams. Once they are chosen, we will place team rosters on our website in August/September 2021.

If you are accepting the team spot, please let your coach know and register/pay on our website at that time for 2021/2022 Travel Soccer. All players will need to be registered and paid in full before November 2021.

4. What if I don't make the team?

Depending on the team you are interested in, we may have some developmental spots available for players who do not make the team. Developmental players practice with the travel team all winter to develop their skills and then play in our Outdoor House League in the spring/summer. Please contact ca@hamburgsoccerclub.com if your child does not make the team and is interested in the program.

5. When do we start?

Our indoor season begins in November/December 2021 but there may be an opportunity to begin earlier in the Fall if weather permits. This will be communicated to you by your team coach. We practice indoors at Sahlen's Sports Park. The indoor schedule will be sent out to coaches in the fall and they will pass that information on to their team. Many teams simply practice during the winter but some choose to join winter leagues- that is decided by each individual coach/team. We then move outdoors for practice in April and the league games begin in May.

6. Anything further?

Any further questions can be found on our Travel Soccer page on our website at www.hamburgsoccerclub.com.
