## **KINDERGARTNERS FOOTBALL**

Kindergartners are welcome to play as long as they turn 5 by April 1<sup>st</sup>. They will be evaluated the first week of camp to ensure they are mentally and physically ready to play football. IF after the first week it is determined they are not ready, this will be discussed with the parents and a refund will be given. HHYFC reserves the right to evaluate these same kids the second week of practice when full pads and hitting is being accomplished. If at this time it is determined that they should not participate due to safety reasons the parents will be notified and refund will take place.
