

MYSL Make Up Game Process

1. The make up process is managed by the Home Team Coach.
2. Email the away coach using the email address on the schedule tab of the MYSL website. Suggest three dates/times that work best for you. Preferably your practice nights and Sundays for the Fall Season due to darkness issues (Sundays are not allowed for Grade 5&6 and older in the spring season – MYSL Rule). Makeup games take priority over all practices (other teams using the field with you).
3. Agree on a date/time with the away coach.
4. Email the CYSA field assignor (FieldAssignor@ChelmsfordYouthSoccer.com) and the CYSA Referee Director (Referees@ChelmsfordYouthSoccer.com) with the requested date/time. They will coordinate with the referees and other Chelmsford coaches using the field and get back to you with approval.
5. Use the link from the email sent by MYSL to the Home coach.

Clicking the link and having agreement from the away coach does NOT guarantee you a field to play on or referees to officiate your game. Prior to clicking the link in the email from MYSL, the field assignor and referee director must have already given you approval.

6. Follow the MYSL process using the link below.

To request cancellation of a game or to reschedule a cancelled HOME game, see this document: [MYSL Game Cancellation & Rescheduling Request Procedures](#)
