

Coach registration with TSSA:

Go to www.tnsoccer.org

Click on “Volunteer Disclosure” in the middle of the page

Click on “Registration” in the top right

Click on “Option 2” – Create a new account – fill out the info

***For 99% of you – it will say that you already have an account – this is because your player is registered with TSSA – the system will ask you to verify (list) one of your players – you then click on your player’s name and create a log in and password. If it still will not allow you to create a login – call the Affinity # at the top of that page.

Click on “Register as coach/admin” on far right

Select Playlevel – “Background checking”

Fill out all required info - don’t forget to fill in n/a when answering “no”

Select club – Williamson County Soccer Association – at the very bottom

Click continue

Click to accept waivers

***You are also agreeing that you have taken the 30 minute concussion course. You are still required to take this course (available on the homepage – www.tnsoccer.org – and send WCSA a copy of your certificate (this takes about 30 minutes).

If you are currently coaching or are planning on coaching this spring, please go ahead and register with TSSA for the background checks – even if you cannot attend the “E” License course.
