### **VERY IMPORTANT – PLEASE READ!! DROP-OFF AND PICK-UP INFORMATION FIRST DAY OF CAMP / CHECK-IN – PARENT DROP OFF: MON., JUNE 14<sup>TH</sup> FROM 8:15 AM - 9:00 AM:**

- Please do not be late - as our goal will be to have all of the players checked in and ready to start training/playing pickup soccer at 9:00am.
- Parent/Guardians should park their car and come to the **CHECK-IN TABLE** located on the **WEST SIDE** by the Pavilion. You will see a WCSA Tent with our staff available to check-in players. Please know which group you registered with for camp (Shooting Stars, Select, Elite, Premier, Goalkeeping).
- Half Day Campers will be given wristbands EACH DAY. An additional wristband will be given based on the group they are in.
- Parent/Guardians will need to verify that camp staff has the correct emergency contact information, so in the event of an injury or for weather information. It is important that staff be able to get in touch with a decision-making adult for each player.
- After check-in, players can put their bags/gear anywhere under the pavilion. Full-Day campers will be sent to a table to give staff their lunch options for the day. All campers will be greeted by coaches outside of the pavilion once they put their bag/gear down. They will all be split up into their groups for the camp and sent to a field for supervised pick-up soccer until camp begins or until majority of campers arrive. The field in which we direct them to on the first day is where the players will need to go every day upon arrival to meet their coaches and play pick up soccer before the start of camp.

**DAILY MORNING DROP-OFF PROCESS: TUES., JUNE 15<sup>TH</sup> – FRI., JUNE 18<sup>TH</sup>:**

- There will be a **CAR LINE** similar to school car lines. You will follow the appropriate path of cones and drop off your child. Players will be greeted by coaches and directed to check in tables under the pavilion. Full Day campers will check in at the lunch table to give staff their lunch option for the day. Half Day campers will check in at the table to get new wristbands each day. All players will then be directed to their group's field for pick up soccer until we have a morning camp meeting with all campers.
- You may also park and walk your player to the check-in tables.
- It is important that **your player arrives no later than 8:45am Tuesday-Friday.**
- Players should arrive to camp, ready to participate (wearing all of their gear - the needed gear is listed below).
- If you are late, please park and walk your player to the WCSA West Side Pavilion to locate a staff member to find out where your player's group is training and to check-in your player.

**DAILY AFTERNOON PICK-UP PROCESS: MON., June 14th - FRI., June 18th**

- HALF DAY CAMP Ends at 12:00pm (please arrive to pick-up your player by 11:50pm)
- FULL DAY CAMP Ends at 3:00pm (please arrive to pick-up your player by 2:50)
- Shooting Stars, Select, Elite (Players who registered for Half Day option)
- Select, Elite & Premier & Goalkeepers (All players who registered for Full Day option)

**Pick-Up Procedure:**

- Do not walk on to the fields unless directed by a coach to pick up your camper. Campers will confirm with their coach who the person is that is picking them up. PLEASE stay in your car until you see campers in their small groups with their designated coach. Below are instructions on where you can park. We will signal everyone in the parking lot to exit their car and begin locating your player. This will help us ensure each camper has a pick-up person. Coaches will need verbal confirmation between camper and pick-up person. Half-Day Campers will have a WRISTBAND with a number! You will receive your camper(s) number during check-in on Mondays. Keep and remember your number for pickup.
- There will be TSC feather signs in the parking lots with each color telling you where you can park as well as signs that say "Shooting Stars, Elite, Select, Premier, and Goalkeepers" on the fields in front of the pavilion. If you are picking up campers in different groups, you can park in any lot.
  - Shooting Stars: RED** (Furthest parking lot past the pavilion/concessions)
  - Select: RED** (Furthest parking lot past the pavilion/concessions)
  - Elite: BLUE** (Parking lot closest to the entrance)
  - Premier/Goalkeepers: BLUE** (Parking lot closest to the entrance)
- Please exit your vehicle, walk towards the fields (NOT ON THE FIELDS) to pick up your player. Look for the field sign that say your player's group name. Players will be instructed by their coach to look for their guardian. They will confirm with their coach that you are their guardian. You must also confirm with their coach that you are picking up your player. Coaches will verify with you and your player that you are the correct guardian for pick up. You and your player can then pick up their personal gear/bag that will be under the pavilion.
