#### How Are Teams Selected?

TFA executive coaching staff determines how many teams we will field, and at which level each team will play. TFA Players are rated throughout the season by our coaching staff and placed according to their ability.

#### When Will I Be Notified?

You will receive an email from Demosphere 72 hrs after the final tryout date with your team assignment. Note: you must be registered for tryouts in Demosphere in order to receive your offer. If you do not receive a notification by this date, please contact the Director of Coaching for your age group (see list provided on left).

#### Requirements for Acceptance and Demosphere Registration

Players offered a position with the club will receive an email from Demosphere with their team assignment. The email will include a link to Accept the offer. If you do not wish to accept the offer, please click on the Decline link in the email.

This registration will be for both fall and spring seasons and will include a club fee for the entire year.
