

## **The Wes Priest Dynamo Scholarship Program**

Since its inception, Dynamo has been committed to providing affordable travel soccer opportunities for kids of all age levels, regardless of means. No one has embodied this pledge more than Wes Priest. During his more than twenty years of coaching service to Dynamo, Wes has championed the Dynamo scholarship program. This year, in honor of Wes' retirement from the club, the Board has voted to name the Dynamo scholarship program, the Wes Priest Dynamo Scholarship Program.

Please consider making a donation to the Wes Priest Dynamo Scholarship Program in honor of Wes' retirement. Dynamo scholarships are handed out purely on a need basis, after review by members of the Board. Wes has coached numerous boys and girls teams at Dynamo over the last 20 years. Wes has served for the last several years as the Boys Youth Program Director working with the U8-U10 age levels and serving on the Dynamo Board of Directors. Wes also spearheaded the development of the Dynamites program, has coached numerous Dynamo boys and girls teams of various age levels and served as a Coaching Director for the Boys and Girls Junior Programs.
