

A couple of items to follow up on after the coaches meeting.

First off, we have our coach's clinic this Saturday. It has come to our attention that the bring-it for the clinic was on the wrong line of a previous email. If you thought you were signing up for the meeting and will not be attending the clinic, please go back into the site and delete your name. That way we have a correct number of goody bags. If you still need to sign up please do so soon.

All email addresses for coaches, scores, refs, registrar...can be found on the admsoccer.net website by clicking on "club information" then "about us". Remember that this address must be in the reply address line or it will default to the info@bluesombrero and not be received. This happens if using a phone or tablet to reply.

All players must have a player card, medical waiver and insurance copy available with the coach at all times. Coaches must also have an OFFICIAL ROSTER available. This roster is only official if it has the Iowa Soccer logo in the upper corner. If you did not have your volunteer disclosure or photo uploaded at the time rosters were printed, you received a list of team players for contacts but not an official roster. You must contact Mindi (registrar) to get one. Those finalized will be available at the Fall kick off.

Coaches will need to visibly wear the coach badge on the sidelines.

Refs have been asked to be more diligent in checking these items so please make it less of a hassle for them. Also, as mentioned at the meeting, please respect the refs. Most of them are young kids like ours, who are trying their best. Unless the calls are affecting safety or flagrant unsportsmanship, save discussion for a private conversation after the game. Please only use comments you think are constructive and would be appropriate for another parent or coach to say to your child. Remember that this is a rec program for developing skills, and that includes refs. The skills you teach your players in respect and sportsmanship will carry them much farther in life than the best soccer move!

Schedules will be available as soon as we receive them from the league officials.

Thank you very much for volunteering to coach! We hope you have a great season and welcome any comments to help improve the ADM soccer club.
