The Benefit: NYSA is a Non-Profit 501.3(c) Corporation and Donations are usually 100% Tax Deductible. We are an all-volunteer youth recreational sports association serving our community and your sponsorship money goes directly to support the baseball program. We depend on your financial support to provide the opportunity to play ball to as many youths as possible in our community. Our baseball program has grown to be one of the largest in the panhandle with over 300 youth players' ages 6 to 15 yrs old. We average over 1,500 patrons in the park each week and our player's families loyally support the businesses that support our park.
