The Benefit: NYSA is a non-profit 501.3(c) corporation and donations are typically 100% tax deductible. We are an all-volunteer youth recreational sports association serving our community and your sponsorship money goes directly to support the football program. We depend on your financial support to provide the opportunity to play football to as many young athletes as possible in our community. Our football program has grown to be one of the largest in the Panhandle with over 300 young athletes ages 5 to 14 yrs old. We average over 2,000 patrons in the park each home game and our players' families loyally support the businesses that support our park.

Please check the box above for Sponsor Level and make checks payable to NYSA.
